DEPARTMENT OF COMMERCE**Census Bureau****Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; High-Frequency Surveys Program/Household Pulse Survey**

On March 27, 2024, the Department of Commerce received clearance from the Office of Management and Budget (OMB) in accordance with the Paperwork Reduction Act of 1995 to conduct Phase 4.1 of the Household Pulse Survey (OMB No. 0607–1029, Exp. 01/31/27). The Department is committed to ensuring that the data collected by the Household Pulse Survey continue to meet information needs as they may evolve. This notice serves to inform of the Department's intent to request clearance from OMB to make some revisions to the Household Pulse Survey questionnaire. To ensure that the data collected by the Household Pulse Survey continue to meet emergent information needs as they evolve, the Department submits the following Request for Revision to an Existing Collection for a revised Phase 4.2

questionnaire to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice.

Phase 4.2 includes new questions on access to transportation and the internet and reinstated questions on the shortage of critical items. There are also revisions to the response options for the ages of children question and revisions to the text of the school enrollment question. The question asking if there are any babies or infants in the household and unemployment insurance items were removed. We are also including a test of several different ways of collecting income and expense information to determine which options best lower respondent burden and increase response rates in internet mode. The results of this test will be for internal use only.

It is the Department's intention to commence data collection using the revised instrument on or about July 23, 2024. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on February 15, 2024 (OMB No. 0607–1029) during a 30-day comment period. This notice allows for an additional 30 days for public comments.

households and is designed to supplement the federal statistical system's traditional benchmark data products with a new data source that provides relevant and timely information based on a high-quality sample frame, data integration, and cooperative expertise.

Affected Public: Households.

Bureau of Industry and Security

In the Matter of: USGoBuy, LLC, 6804 NE 79th Ct., Building A, Portland, OR 97218, Respondent; Order Activating Suspended Portion of Civil Penalty and Activating Suspended Denial of Export Privileges Against USGoBuy, LLC

On June 17, 2021, then-Acting Assistant Secretary of Commerce for Export Enforcement, Kevin J. Kurland signed an order (the "June 17, 2021 Order") approving the terms of a settlement agreement (the "Settlement Agreement") between the Bureau of Industry and Security, U.S. Department of Commerce ("BIS"), and USGoBuy, LLC ("USGoBuy" or "the Company"). USGoBuy is a package forwarding company based in Portland, Oregon that offers a service that allows non-U.S.-based customers to purchase items online from U.S. retailers and have those items shipped to the Company's warehouse in Oregon. USGoBuy then consolidates various items ordered by its customers and re-packages the items for export from the United States. USGoBuy also offers a "BuyForMe" service in which it purchases U.S.-origin items on behalf of its customers, and then exports the items to a foreign addressee and address provided by the customer.

The Settlement Agreement and the June 17, 2021 Order relate to an enforcement action brought by BIS against USGoBuy for exporting riflescopes, items classified under Export Control Classification Number ("ECCN") 0A987.a, controlled for Crime Control reasons, to China and the United Arab Emirates, without seeking or obtaining the licenses required for these exports, in violation of the Export Administration Regulations (the "Regulations").¹

The Settlement Agreement and June 17, 2021 Order imposed on USGoBuy a civil penalty of \$20,000. USGoBuy was required to pay \$5,000 of this amount to the Department of Commerce by July 17, 2021. Payment of the remaining \$15,000 was suspended for a probationary period of three years from the date of the June 17, 2021 Order, after which it would be waived, provided that during this three-year probationary period, USGoBuy paid the \$5,000 non-suspended portion of the civil penalty, committed no other violation of the Regulations, and completed an independent, external audit (the "Export Compliance Audit" or "Audit").

The June 17, 2021 Order required that the Export Compliance Audit cover the 12-month period after the June 17, 2021 Order and be in substantial compliance with the Export Compliance Program sample audit module published by BIS. To the extent USGoBuy identified any violations of the Regulations through the Audit, the June 17, 2021 Order required USGoBuy to promptly provide supporting documentation related to the violations and a detailed plan of corrective actions to be taken.

In addition, the June 17, 2021 Order also imposed a three-year denial of USGoBuy's export privileges under the Regulations. This denial order was suspended pursuant to section 766.18(c) of the Regulations, subject to the same probationary conditions described above. According to the June 17, 2021 Order, if USGoBuy failed to make full and timely payment of the non-suspended penalty, did not complete the audit and submit the results as required by the Settlement Agreement, or if USGoBuy committed additional violations of the Regulations during the three-year probationary period, BIS could modify or revoke the suspended

¹ The Regulations are currently codified in the Code of Federal Regulations at 15 CFR parts 730–774 (2024). The violations at issue in the Settlement Agreement occurred in 2015. The Regulations governing those violations are found in the 2015 version of the Code of Regulations (15 CFR parts 730–774). The 2024 Regulations set forth the procedures that apply to this matter.
