The general area of DIBC's planned activity is to conduct research and development and prototyping of projects and programs for purposes of strengthening the Defense Industrial Base (DIB). At the time of this filing, the DIBC's critical sectors and subsectors are as follows: (1) kinetic capabilities (*i.e.* hypersonics), (2) energy storage and batteries, (3) castings and forgings, (4) microelectronics, (5) critical chemicals and minerals, (6) Small Unmanned Aerial Systems (sUAS), (7) Rare Earth Elements (REFs), (8) critical materials, (9) submarine industrial base, (10) space industry base, (11) biomanufacturing, and (12) workforce development. The Consortium was formed effective December 31, 2023.

Suzanne Morris,

Deputy Director Civil Enforcement Operations, Antitrust Division.

Notice Pursuant to the National Cooperative Research and Production Act of 1993—Bytecode Alliance Foundation

Notice is hereby given that, on June 6, 2024, pursuant to section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), Bytecode Alliance Foundation has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Embark Studios, Stockholm, Sweden; Candle, Atlanta, GA; Rackner, Silver Spring, MD; and Shanghai Wudun, Shanghai, People's Republic of China, have withdrawn as parties to this venture.

No other changes have been made in either the membership or planned

activity of the group research project. Membership in this group research project remains open, and Bytecode Alliance Foundation intends to file additional written notifications disclosing all changes in membership.

On April 20, 2022, Bytecode Alliance Foundation filed its original notification pursuant to section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to section 6(b) of the Act on May 13, 2022 (87 FR 29379).

The last notification was filed with the Department on March 14, 2024. A notice was published in the **Federal Register** pursuant to section 6(b) of the Act on April 16, 2024 (89 FR 26926).

Suzanne Morris,

Deputy Director Civil Enforcement Operations, Antitrust Division.

Notice Pursuant to the National Cooperative Research and Production Act of 1993—Rust Foundation

Notice is hereby given that, on June 3, 2024, pursuant to section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), Rust Foundation has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Devolutions, Inc., Quebec, CANADA; Pontificia Universidade Católica do Paraná—Escola Politécnica, Curitiba, BRAZIL; Stichting Rust Nederland, Nijmegen, NETHERLANDS; and Wyeworks LLC, Sheridan, WY, have been added as parties to this venture.

Also, Traverse Research, Breda, NETHERLANDS, has withdrawn as a party to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and Rust Foundation intends to file additional written notifications disclosing all changes in membership.

On April 14, 2022, Rust Foundation filed its original notification pursuant to section 6(a) of the Act. The Department
