VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN), or we may send you an email containing a link to access an electronic version of your GAN. We also may notify you informally.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other

requirements in the *Applicable Regulations* section of this notice. We reference the regulations outlining the terms and conditions of a grant in the *Applicable Regulations* section of this notice. The Grant Award Notification (GAN) also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

4. *Performance Measures:* For the purpose of Department reporting under 34 CFR 75.110, we have established the following performance measures for the SCTAC grant program:

(b) The number and percentage of high-need LEAs reporting that the technical assistance provided was high-quality, relevant, and useful.

(c) The number and percentage of high-need LEAs reporting an increase in capacity as a result of technical assistance and capacity building services provided.

These measures constitute the Department's indicators of success for this program. Consequently, we advise an applicant for a grant under this program to consider these measures in conceptualizing the approach and evaluation for its proposed project. Each grantee must provide, in its performance reports, data about its progress in meeting these measures.

Consistent with 34 CFR 75.591, grantees funded under this program must comply with the requirements of any evaluation of the program conducted by the Department or an evaluator selected by the Department.
