Abstract: Authorized by 34 U.S.C. 12351, the Transitional Housing Assistance Grants for Victims of Domestic Violence, Dating Violence, Sexual Assault and Stalking Program (Transitional Housing Program) supports programs that provide 6–24 months of transitional housing with support services for victims who are homeless or in need of transitional

housing or other housing assistance, as a result of a situation of domestic violence, dating violence, sexual assault or stalking; and for whom emergency shelter services or other crisis intervention services are unavailable or insufficient.

Overview of This Information Collection

2. *The Title of the Form/Collection:* Semi-Annual Progress Report for Grantees of the Transitional Housing Assistance Grant Program.

3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* 1122-0016.

Affected public who will be asked or required to respond, as well as the obligation to respond: The affected public includes the approximately 120 grantees of the Transitional Housing Program whose eligibility is determined by statute. This discretionary grant program provides transitional housing, short-term housing assistance, and related support services for individuals who are homeless, or in need of transitional housing or other housing assistance, as a result of fleeing a situation of domestic violence, dating violence, sexual assault, or stalking, and for whom emergency shelter services or other crisis intervention services are unavailable or insufficient. Eligible applicants are States, units of local government, Indian tribal governments, and other organizations, including domestic violence and sexual assault victim services providers, domestic violence or sexual assault coalitions, other nonprofit, nongovernmental organizations, or community-based and

culturally specific organizations, that have a documented history of effective work concerning domestic violence, dating violence, sexual assault, or stalking. The obligation to respond is required to obtain/retain a benefit.

4. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that it will take the approximately 120 respondents (Transitional Housing Program grantees) approximately one hour to complete a semi-annual progress report. The semi-annual progress report is divided into sections that pertain to the different types of activities in which grantees

may engage. A Transitional Housing Program grantee will only be required to complete the sections of the form that pertain to its own specific activities.

5. *An estimate of the total annual burden (in hours) associated with the collection:* It is estimated that it will take the approximately 120 respondents (Transitional Housing Program grantees) approximately one hour to complete a semi-annual progress report. SUPPLEMENTARY INFORMATION: The prohibited transaction described in section 406(a)(1)(C) of ERISA generally prohibits the furnishing of goods, services, or facilities between a plan and a party in interest to the plan. Because ERISA defines any person furnishing services to the plan as a “party in interest” to the plan, a service relationship between a plan and a service provider would constitute a prohibited transaction under section 406(a)(1)(C) in the absence of relief. Section 408(b)(2) of ERISA provides relief, however, for service contracts or arrangements if the contract or arrangement is “reasonable,” if the services are necessary for the establishment or operation of the plan, and if no more than “reasonable” compensation is paid for the services. The Department’s final rule under ERISA section 408(b)(2) (29 CFR 2550.408b-2) requires reasonable contracts or arrangements between employee pension benefit plans and

certain providers of services to such plans include specified information to assist plan fiduciaries in assessing the reasonableness of the compensation paid for services and the conflicts of interest that may affect a service provider’s performance of services.

The Department also issued a class prohibited transaction exemption as part of the final rule. The class exemption grants plan fiduciaries relief from liability for a prohibited transaction resulting from the service provider’s failure to comply with the regulation’s disclosure requirements. The Department recognizes that a plan fiduciary may on occasion unknowingly enter into a contract or arrangement that does not meet the requirements of the regulation for relief under ERISA section 408(b)(2), in the reasonable belief that the service provider has divulged the requisite information. If the requirements of the rule are not satisfied, a prohibited transaction occurs for both the service provider and the plan fiduciary, but for the availability of the class exemption. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on February 5, 2024 (89 FR 7732).

Comments are invited on: (1) whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) the accuracy of the agency’s estimates of the burden and cost of the collection of information,
