

to Rule 19b4(f)(6)(iii),²¹ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposed rule change may become operative upon filing. The Exchange, like FINRA, requests that the proposed rule change become operative as quickly as possible so FINRA, on behalf of the Exchange, can communicate the rule change to impacted individuals in a timely manner. Waiver of the operative delay would allow the Exchange to implement the proposed changes to its CE rules without delay, thereby eliminating the possibility of a significant regulatory gap between the FINRA and the Exchange rules, providing more uniform standards across the securities industry, and helping to avoid confusion for Exchange members that are also FINRA members. For these reasons, the Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Therefore, the Commission hereby waives the operative delay and designates the proposal operative upon filing.²²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)²³ of the Act to determine whether the proposed rule change should be approved or disapproved.

forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The proposed rule change amends Exchange Rule 2.16.01 to reopen the period by which certain participants in the Maintaining Qualifications Program ("MQP") will be able to complete their prescribed 2022 and 2023 continuing education content.

In 2021, the Financial Industry Regulatory Authority, Inc. ("FINRA") implemented rule changes, which amended FINRA's Continuing Education ("CE") Program requirements to, among other things, provide eligible individuals who terminate any of their representative or principal registration categories the option of maintaining their qualification for any terminated registration categories by completing annual CE through a new program, the MQP.⁵ Under FINRA Rule 1240.01, the MQP designated a look-back provision that, subject to specified conditions, extended the option to participate in the MQP to individuals who: (1) were registered as a representative or principal within two years immediately prior to March 15, 2022 (the implementation date of the MQP); and (2) individuals who were participating in the Financial Services Affiliate Waiver Program ("FSAWP")⁶ under FINRA Rule 1210.09 (Waiver of Examinations for Individuals Working for a Financial Services Industry Affiliate of a Member) immediately prior to March 15, 2022 (collectively, "Look-Back Individuals").

In 2023, FINRA amended FINRA Rule 1240.01, to provide Look-Back Individuals a second opportunity to elect to participate in the MQP (the "FINRA Second Enrollment Period").⁷

⁵ See Securities Exchange Act Release No. 93097 (September 21, 2021), 86 FR 53358 (September 27, 2021) (Order Approving File No. SR-FINRA-2021-015). Other exchanges, including EDGX, subsequently filed copycat rule filings to align their continuing education rules with those of FINRA. See Securities Exchange Act Release No. 94527 (March 28, 2022), 87 FR 18825 (March 31, 2022), (SR-ChoeEDGX-2022-017).

⁶ The FSAWP is a waiver program for eligible individuals who have left a member firm to work for a foreign or domestic financial services affiliate of a member firm. FINRA stopped accepting new participants for the FSAWP beginning on March 15, 2022; however, individuals who were already participating in the FSAWP prior to that date had the option of continuing in the FSAWP.

⁷ See Securities Exchange Act Release No. 97184 (March 22, 2023), 88 FR 18359 (March 28, 2023) (SR-FINRA-2023-005).

The proposed rule change required that Look-Back Individuals who elect to participate in the MQP during the FINRA Second Enrollment Period complete any prescribed 2022 and 2023 MQP content by March 31, 2024. Look-Back Individuals who are enrolled in the MQP, similar to other MQP participants, are able to complete any prescribed CE and renew their annual MQP participation through their FINRA Financial Professional Gateway ("FinPro") accounts.

In response to FINRA's rule changes and to facilitate compliance with the Exchange's CE Program requirements by members of multiple exchanges, the Exchange implemented rule changes to align with FINRA's CE Program.⁸ Such rules, among other things, provide eligible individuals who terminate any of their representative or principal registrations the option of maintaining their qualification for any of the terminated registrations by completing CE through the MQP. Further, Exchange Rule 2.16.01 includes a look-back provision that, subject to specified conditions, extends the option for maintaining qualifications following a registration category termination to (i) individuals who have been registered as a representative or principal within two years immediately preceding March 15, 2022, and (ii) individuals who have been participants of the FSAWP immediately preceding March 15, 2022 implementation (*i.e.*, Look-Back Individuals). Exchange Rule 2.16.01 also provided Look-Back Individuals with a second enrollment period, between October 19, 2023, and December 31, 2023 (the "Exchange Second Enrollment Period"). Exchange Rule 2.16.01 requires that Look-Back Individuals who elect to participate in the MQP during the Exchange Second Enrollment Period complete any prescribed 2022 and 2023 MQP content by March 31, 2024.⁹

FINRA recently submitted a proposal related to its CE Program (the "FINRA Rule Change").¹⁰ The proposal set forth

⁸ See Rules 2.16(c), 2.16.01, and 2.16.02.

⁹ The Exchange determined to treat the individuals who enrolled during the first period (between January 31, 2022, and March 15, 2022) the same as those who enrolled during the second period (between October 19, 2023, and December 31, 2023) for purposes of the March 31, 2024, deadline for completion of prescribed 2022 and 2023 CE content. This is because those who had enrolled in the MQP during the first period satisfied all of the eligibility criteria for enrollment during the second period and would have been able to complete their prescribed CE content by March 31, 2024, had they chosen to enroll during the second period instead of enrolling during the first period.

¹⁰ See Securities Exchange Act Release No. 100067 (May 6, 2024), 89 FR 40520 (May 10, 2024) (SR-FINRA-2024-006).

changes to FINRA Rule 1240.01, to provide Look-Back Individuals enrolled in the MQP in both 2022 and 2023 who did not complete their prescribed 2022 and 2023 CE content as of March 31, 2024, the opportunity to complete such content between May 22, 2024, and July 1, 2024, to be eligible to continue their participation in the MQP.¹¹ In addition, the proposed rule change provides that any such individuals who will have completed their prescribed 2022 and 2023 CE content between March 31, 2024, and May 22, 2024, will be deemed to have completed such content by July 1, 2024, for purposes of the rule.

In the FINRA Rule Change, FINRA noted that FINRA sent multiple reminders, including a March 16, 2024 email, to Look-Back Individuals who had enrolled in the MQP but had not completed their prescribed CE to remind them of the March 31, 2024 deadline. In the FINRA Rule Change, FINRA further noted that in the week leading up to the deadline, FINRA noticed that several thousand of those individuals were renewing their participation in the MQP for 2024 instead of completing their prescribed CE.¹² Per the FINRA Rule Change, FINRA believes that some of those individuals may have been confused by the layout of their FinPro accounts. Specifically, if they selected the 2024 renewal banner, which was prominently displayed on their FinPro accounts, and completed the renewal process, they would not have been automatically redirected to complete any prescribed CE. Therefore, individuals may have inadvertently assumed that completion of the renewal process alone would have satisfied all of the necessary requirements to continue their participation in the MQP.¹³

For similar reasons and to facilitate compliance with the Exchange's CE Program requirements by members of multiple exchanges, the Exchange is

¹¹ This would include any Look-Back Individuals who were still in the process of completing their prescribed CE content as of March 31, 2024.

¹² Look-Back Individuals who enrolled in the MQP have until December 31, 2024, to renew their participation in the MQP for 2024, provided that they complete their prescribed CE by the stated deadline.

¹³ According to FINRA, a number of these individuals contacted FINRA to confirm whether they were required to satisfy any additional requirements other than completing the 2024 renewal. To provide FINRA with additional time to assess the situation, FINRA temporarily changed the March 31, 2024, due date for CE completion in its systems. This may have compounded the confusion because any Look-Back Individual who may have logged into their FinPro account during this time would have seen an interim CE completion date and would have been able to complete their prescribed CE content based on that interim CE completion date.

also proposing to amend its rules (*i.e.*, Exchange Rule 2.16.01) to provide Look-Back Individuals enrolled in the MQP in both 2022 and 2023 who did not complete their prescribed 2022 and 2023 CE content as of March 31, 2024, the opportunity to complete such content between the effective date of this filing, and July 1, 2024, to be eligible to continue their participation in the MQP.¹⁴ In addition, the proposed rule change provides that any such individuals who will have completed their prescribed 2022 and 2023 CE content between March 31, 2024, and the effective date of this filing, will be deemed to have completed such content by July 1, 2024, for purposes of the rule.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.¹⁵ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)¹⁶ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)¹⁷ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange believes that reopening the period by which Look-Back Individuals will be able to complete their prescribed 2022 and 2023 CE content is appropriate under the circumstances. As FINRA noted in the FINRA Rule Change, Look-Back Individuals who had enrolled in the MQP in 2022 and 2023 but had not completed their prescribed 2022 and 2023 CE content by the March 31, 2024 deadline may have been confused, as described above. The Exchange believes that participation in the MQP reduces

unnecessary impediments to requalification for these individuals without diminishing investor protection. In addition, the proposed rule change is consistent with other goals, such as the promotion of diversity and inclusion in the securities industry by attracting and retaining a broader and diverse group of professionals. The MQP also allows the industry to retain expertise from skilled individuals, providing investors with the advantage of greater experience among the individuals working in the industry. The Exchange believes that reopening the CE completion period, as proposed, will further these goals and objectives.

Further, the Exchange believes the proposed amendments reduce the possibility of a regulatory gap between Exchange and FINRA rules, providing more uniform standards across the securities industry. The Exchange believes that the proposed rule change will bring consistency and uniformity with FINRA’s recently amended CE Program, which will, in turn, assist members and their associated persons in complying with these rules and improve regulatory efficiency. The proposed rule changes make ministerial changes to the Exchange’s CE rules to align them with the CE rules of FINRA, in order to prevent unnecessary regulatory burdens and to promote efficient administration of the rules.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that the proposed rule changes which are, in all material respects, based upon and substantially similar to, recent rule changes adopted by FINRA, will reduce the regulatory burden placed on market participants engaged in trading activities across different markets. The Exchange believes that the harmonization of the CE Program requirements across the various markets will reduce burdens on competition by removing impediments to participation in the national market system and promoting competition among participants across the multiple national securities exchanges.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁸ and Rule 19b-4(f)(6) thereunder.¹⁹

A proposed rule change filed under Rule 19b-4(f)(6)²⁰ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b4(f)(6)(iii),²¹ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposed rule change may become operative upon filing. The Exchange, like FINRA, requests that the proposed rule change become operative as quickly as possible so FINRA, on behalf of the Exchange, can communicate the rule change to impacted individuals in a timely manner. Waiver of the operative delay would allow the Exchange to implement the proposed changes to its CE rules without delay, thereby eliminating the possibility of a significant regulatory gap between the FINRA and the Exchange rules, providing more uniform standards across the securities industry, and helping to avoid confusion for Exchange members that are also FINRA members. For these reasons, the Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Therefore, the Commission hereby waives the operative delay and designates the proposal operative upon filing.²²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if

¹⁸ 15 U.S.C. 78s(b)(3)(A).

¹⁹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)²³ of the Act to determine whether the proposed rule change should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-541, OMB Control No. 3235-0620]

Proposed Collection; Comment Request; Extension: Rule 22c-2

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 22c-2 (17 CFR 270.22c-2) under the Investment Company Act of 1940 (15 U.S.C. 80a) (the "Investment Company Act") requires the board of directors (including a majority of independent directors) of most registered open-end investment companies ("funds") to either approve a redemption fee of up to two percent or determine that imposition of a redemption fee is not necessary or appropriate for the fund. Rule 22c-2 also requires a fund to enter into written agreements with their financial intermediaries (such as broker-dealers and retirement plan administrators) under which the fund, upon request, can obtain certain shareholder identity and trading information from the intermediaries. The written agreement must also allow the fund to direct the intermediary to prohibit further purchases or exchanges by specific shareholders that the fund has

identified as being engaged in transactions that violate the fund's market timing policies. These requirements enable funds to obtain the information that they need to monitor the frequency of short-term trading in omnibus accounts and enforce their market timing policies.

The rule includes three "collections of information" within the meaning of the Paperwork Reduction Act of 1995 ("PRA").¹ First, the rule requires boards to either approve a redemption fee of up to two percent or determine that imposition of a redemption fee is not necessary or appropriate for the fund. Second, funds must enter into information sharing agreements with all of their "financial intermediaries"² and maintain a copy of the written information sharing agreement with each intermediary in an easily accessible place for six years. Third, pursuant to the information sharing agreements, funds must have systems that enable them to request frequent trading information upon demand from their intermediaries, and to enforce any restrictions on trading required by funds under the rule.

The collections of information created by rule 22c-2 are necessary for funds to effectively assess redemption fees, enforce their policies in frequent trading, and monitor short-term trading, including market timing, in omnibus accounts. These collections of information are mandatory for funds that redeem shares within seven days of purchase. The collections of information also are necessary to allow Commission staff to fulfill its examination and oversight responsibilities.

Rule 22c-2(a)(1) requires the board of directors of all registered open-end management investment companies and series thereof (except for money market funds, ETFs, or funds that affirmatively permit short-term trading of its securities) to approve a redemption fee for the fund, or instead make a determination that a redemption fee is

¹ 44 U.S.C. 3501-3520.

² The rule defines a Financial Intermediary as: (i) Any broker, dealer, bank, or other person that holds securities issued by the fund in nominee name; (ii) a unit investment trust or fund that invests in the fund in reliance on section 12(d)(1)(E) of the Act; and (iii) in the case of a participant directed employee benefit plan that owns the securities issued by the fund, a retirement plan's administrator under section 316(A) of the Employee Retirement Security Act of 1974 (29 U.S.C. 1002(16)(A) or any person that maintains the plans' participant records; Financial Intermediary does not include any person that the fund treats as an individual investor with respect to the fund's policies established for the purpose of eliminating or reducing any dilution of the value of the outstanding securities issued by the fund; Rule 22c-2(c)(1).
