

served by a direct sale. The BLM would offer the lands to Mr. Raymond M. Simon since he is the adjacent landowner and owns the access to the public land. The subject parcel has been determined to meet FLPMA Section 203(a) sale criteria. The parcel is difficult and uneconomic to manage because it is encumbered by inadvertent, unauthorized privately-owned improvements.

Pursuant to the requirements of 43 CFR 2711.1–2(d), publication of this notice in the **Federal Register** will segregate the land from all forms of appropriation under the public land laws, including the mining laws, except for the sale provisions of FLPMA. Until completion of the sale, the BLM will no longer accept land use applications affecting the public land. The effect of this segregation will terminate upon issuance of a patent, publication in the **Federal Register** of a termination of the segregation, or two years after the date of publication in the **Federal Register**, unless extended by the BLM Idaho State Director in accordance with 43 CFR 2711.1–2(d) prior to the termination date. The BLM will publish this notice in *The Challis Messenger* newspaper once a week for three consecutive weeks.

The conveyance document, if issued, will include the following terms, conditions, and reservations:

1. A reservation to the United States for ditches and canals constructed by the authority of the United States under the Act of August 30, 1890;

2. Subject to the continuing use of the Garden Creek Allotment by Micky and Maureen Roskelley pursuant to livestock grazing permit no. ID01347 for a period to expire on January 6, 2025;

3. Subject to those perpetual rights for road purposes granted to Idaho Department of Transportation, its successors and assigns, by right-of-way no. IDI 0–000935, pursuant to Section 17 of the Federal Aid Highway Act of November 9, 1921 (42 Stat. 0216);

4. Subject to those rights for buried telephone line purposes granted to Custer Telephone Cooperative, Inc., its successors and assigns, by right-of-way no. IDI–016458, pursuant to the Act of October 21, 1976 (43 U.S.C. 1761). Expires September 6, 2032;

5. Subject to those rights for buried fiber optic line purposes granted to Custer Telephone Cooperative, Inc., its successors and assigns, by right-of-way no. IDI–033655, pursuant to the Act of October 21, 1976 (43 U.S.C. 1761);

6. Subject to those perpetual rights for overhead power line purposes granted to Salmon River Electric Cooperative, its successors and assigns, by right-of-way

no. IDI–016348, pursuant to the Act of October 21, 1976 (43 U.S.C. 1761);

7. An appropriate indemnification clause protecting the United States from claims arising out of the patentee's use, occupancy, or operations on the patented land;

8. Valid existing rights issued prior to conveyance; and

9. Additional terms and conditions that the authorized officer deems appropriate.

The BLM will make available the reports pertaining to the land, which include an appraisal, environmental site assessment, and mineral potential report for review at the Challis Field Office, 721 East Main Avenue, Suite 8, Challis, ID 83226. Interested parties may submit, in writing, any comments concerning the land being considered for sale, including notification of any encumbrances or other claims relating to the parcel, at the address listed in the **ADDRESSES** section by the deadline listed in the **DATES** section.

The land is suitable for direct sale under FLPMA, without competition, consistent with 43 CFR 2711.3–3(a)(4), as direct sales may be used “when in the opinion of the authorized officer, a competitive sale is not appropriate and the public interest would best be served by a direct sale,” including when “the adjoining ownership pattern and access indicate a direct sale is appropriate.” It is also suitable for direct sale consistent with 43 CFR 2711.3–3(a)(5) because there is a need to resolve an inadvertent and unauthorized use of public lands.

The BLM Idaho State Director will review adverse comments regarding the parcel and may sustain, vacate, or modify this realty action, in-whole or in-part. In the absence of timely objections, this realty action will become the final determination of the Department of the Interior.

Before including your address, phone number, email address, or other personal identifying information in your comment, be aware that your entire comment, including your personal identifying information, may be made publicly available at any time. While you can ask us, in your comment, to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

The UC Davis has determined that:

- The 32 sacred objects/objects of cultural patrimony described in this notice are, according to the Native American traditional knowledge of an Indian Tribe or Native Hawaiian organization, specific ceremonial objects needed by a traditional Native American religious leader for present-day adherents to practice traditional Native American religion, and have ongoing historical, traditional, or cultural importance central to the Native American group, including any constituent sub-group (such as a band, clan, lineage, ceremonial society, or other subdivision).
- There is a reasonable connection between the cultural items described in this notice and the Resighini Rancheria, California.

Requests for Repatriation

Additional, written requests for repatriation of the cultural items in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural items in this notice to a requestor may occur on or after July 31, 2024. If competing requests for repatriation are received, the UC Davis must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural items are considered a single request and not competing requests. The UC Davis is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in

this notice and to any other consulting parties.
