- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g.,

Abstract: Pursuant to 8 U.S.C. 1229(a)(1)(F)(ii) and 8 CFR 1003.15(d)(2), individuals in EOIR immigration proceedings must provide the Immigration Court or Board of Immigration Appeals (BIA) with written notice of changes to the individual’s address and contact information within five days of any change. To assist individuals in providing such written notice to the agency, EOIR created the Form EOIR–33. The form collects the individual’s name, alien registration number (A-number), former and current contact information (address, phone number, and email address), and signature. The form instructs that an individual must serve a copy of the Form EOIR–33 on the opposing party. This information collection is required when an individual in EOIR immigration proceedings changes their address or contact information. The Form EOIR–33 is used by EOIR to maintain up to date mailing addresses and contact information of individuals who are subjects of immigration proceedings before the Immigration

Courts and BIA so that individuals receive official communications about their immigration proceedings from EOIR and the opposing party. EOIR created two versions of the Form EOIR–33, one for submission to the Immigration Court (EOIR–33/IC) and one for submission to the BIA (EOIR–33/BIA). Both versions of the form are available in seven languages (English, Spanish, Chinese, Haitian Creole, Portuguese, Punjabi, and Russian) and may be filed with the agency and served on the opposing party electronically or by mail or hand delivery.
