SUPPLEMENTARY INFORMATION:

Title: Executive Branch Confidential Financial Disclosure Report.

Agency Form Number: OGE Form 450.

Abstract: The OGE Form 450 collects information from covered executive

branch employees as required under OGE’s executive branch wide regulatory provisions in subpart I of 5 CFR part 2634. The basis for the OGE reporting regulation is section 201(d) of Executive Order 12674 of April 12, 1989 (as modified by Executive Order 12731 of October 17, 1990) and 5 U.S.C. 13109. The purpose of collecting this information is to allow agencies to identify and address potential financial conflicts of interest among covered employees. The information collected relates to: assets and income; liabilities; outside positions; agreements and arrangements; and gifts, reimbursements and travel expenses—all subject to various reporting thresholds and exclusions. OGE currently maintains the form in three formats on its website: a PDF version, a 508 compliant PDF version accessible to users who use screen readers to access and interact with digital information, and an Excel version.

OGE seeks renewal of the OGE Form 450 with several modifications. OGE sought and received input from a variety of stakeholders before proposing these modifications. Comments submitted by the public in response to the **Federal Register** notices published during the last renewal in 2021 were reconsidered. In addition, OGE solicited and received additional comments from OGE employees, agency ethics officials (who are the individuals responsible for reviewing the completed forms for potential conflicts of interest), interested Congressional offices, and the public. On January 19, 2023, OGE held a public meeting to discuss potential changes to the OGE Forms 450 and 278e and accepted written comments in lieu of appearing in-person. See 87 FR 73766 (Dec. 1, 2022).

OGE considered each comment submitted. The proposed modifications discussed below incorporate the suggested changes that OGE believes will provide added clarity and value to the financial disclosure process. OGE is declining to make other suggested changes at this time due to OGE’s lack of regulatory authority to make such changes, lack of interest by the affected agencies, and/or the associated costs to agencies’ electronic financial disclosure filing systems.

The proposed modifications are described below:

On the instruction page, OGE simplified the navigation to OGE’s website for filers who need instructions on completing the form and added a hyperlink.

On the cover page, OGE proposes to delete the field for mailing address and to add a question regarding whether the
