Certain Frozen Warmwater Shrimp From India: Final Results of Antidumping Duty Changed Circumstances Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On May 13, 2024, the U.S. Department of Commerce (Commerce) published the preliminary results of the changed circumstances review (CCR) of the antidumping duty (AD) order on certain frozen warmwater shrimp from India. For these final results, Commerce continues to find that Varma Marine Private Limited (Varma) is the successor-in-interest to Varma Marine.

DATES: Applicable July 3, 2024.

FOR FURTHER INFORMATION CONTACT:

Whitley Herndon, AD/GVD Operations, Office IX, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–6274.

SUPPLEMENTARY INFORMATION:

Background

On May 13, 2024, Commerce published the preliminary results of this expedited CCR, determining that Varma is the successor-in-interest to Varma Marine for purposes of determining AD cash deposits and liabilities, and provided all interested parties with an opportunity to comment. No interested party submitted comments on the *Preliminary Results*. Accordingly, the final results remain unchanged from the *Preliminary Results*.

Scope of the Order

The merchandise subject to the order is certain frozen warmwater shrimp. The product is currently classified under the following Harmonized Tariff Schedule of the United States (HTSUS) numbers: 0306.17.00.04, 0306.17.00.05, 0306.17.00.07, 0306.17.00.08, 0306.17.00.10, 0306.17.00.11, 0306.17.00.13, 0306.17.00.14, 0306.17.00.16, 0306.17.00.17, 0306.17.00.19, 0306.17.00.20, 0306.17.00.22, 0306.17.00.23, 0306.17.00.25, 0306.17.00.26, 0306.17.00.28, 0306.17.00.29, 0306.17.00.41, 0306.17.00.42, 1605.21.10.30, and 1605.29.10.10. Although the HTSUS numbers are provided for convenience and customs purposes, the written product description remains dispositive. For a complete description of the scope of the order, see the Preliminary Results.

Final Results of CCR

For the reasons stated in the Preliminary Results, and because we received no comments from interested parties challenging our preliminary finding, Commerce continues to find that Varma is the successor-in-interest to Varma Marine. As a result of this determination and consistent with our established practice, we find that Varma should receive the AD cash deposit rate previously assigned to Varma Marine. Because there are no changes from the Preliminary Results and because we received no comments from interested parties, there is no decision memorandum accompanying this notice and we are adopting the Preliminary Results as the final results of this CCR.

Consequently, Commerce will instruct U.S. Customs and Border Protection to suspend liquidation of all shipments of subject merchandise produced and/or exported by Varma and entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice in the **Federal Register** at 3.88 percent, which is the current AD cash deposit rate for Varma Marine.² This cash deposit requirement

shall remain in effect until further notice.

Administrative Protective Order

This notice serves as the only reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Notification to Interested Parties

We are issuing this determination and publishing these final results and notice in accordance with sections 751(b)(1) and 777(i)(1) and (2) of the Tariff Act of 1930, as amended, and 19 CFR 351.216(e), 351.221(b), and 351.221(c)(3).

Dated: June 27, 2024.

Ryan Majerus,

Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

Rescission of Administrative Review in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. Chattem Chemicals, Inc. withdrew its request for review of Showa Denko K.K.⁶ Because the request for review was timely withdrawn and no other parties requested a review of this company, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review with respect to Showa Denko K.K.

Preliminary Results of Review

We preliminarily determine that the following estimated weighted-average dumping margin exists for the period June 1, 2022, through May 31, 2023.

Producer/exporter	Weighted- average dumping margin (percent)
Yuki Gosei Kogyo Co., Ltd./ Nagase & Co., Ltd. ⁷	0.99

Disclosure and Public Comment

Commerce intends to disclose to interested parties its calculations and analysis performed in these preliminary results, within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs or other written comments to the Assistant Secretary for Enforcement and Compliance no later than 30 days after the date of publication of this notice. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final determination in this investigation. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).11

Final Results of Review

Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, no later than 120 days after the date of publication of this notice in the **Federal Register**, unless extended, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Assessment Rates

Upon completion of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. 13 If the weightedaverage dumping margin for Yuki Gosei Kogyo Co., Ltd./Nagase & Co., Ltd. is not zero or de minimis (i.e., less than 0.5 percent) in the final results of this review, we will calculate an importerspecific assessment rate. Where the respondent reported reliable entered values, Commerce intends to calculate importer/customer-specific ad valorem assessment rates on the basis of the ratio of the total amount of dumping calculated for each importer's examined sales and the total entered value of such sales in accordance with 19 CFR 351.212(b)(1).14 Where the respondent did not report entered values, in accordance with 19 CFR 351.212(b)(1), Commerce will calculate importer/ customer-specific assessment rates by dividing the amount of dumping for reviewed sales to the importer/customer by the total quantity of those sales. Commerce will calculate an estimated ad valorem importer/customer-specific assessment rate to determine whether the per-unit assessment rate is de minimis; however, Commerce will use the per-unit assessment rate where entered values were not reported. Where an importer/customer-specific ad valorem assessment rate is not zero or de minimis. Commerce will instruct CBP to collect the appropriate duties at the time of liquidation. If Yuki Gosei Kogyo Co., Ltd./Nagase & Co., Ltd.'s weighted-average dumping margin is zero or de minimis in the final results of review, or if an importer-specific assessment rate for one of these companies is zero or de minimis, Commerce will instruct CBP to liquidate appropriate entries without regard to antidumping duties. 15 For entries of

subject merchandise during the period of review produced by any of these companies for which it did not know its merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries. 16

For Showa Denko K.K., for which we are rescinding this administrative review, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period of review, in accordance with 19 CFR 351.212(c)(1)(i). For Showa Denko K.K., Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of these preliminary results in the Federal Register.

Consistent with its recent notice,¹⁷ Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication). The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise under review and for future cash deposits of estimated antidumping duties, where applicable.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication in the Federal Register of the notice of final results of administrative review for all shipments of glycine from Japan entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2) of the Act: (1) the cash deposit rate for companies subject to this review will be equal to the company-specific weighted-average dumping margin established in the final results of the review; (2) for merchandise exported by a company not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will

continue to be the company-specific rate published in the completed segment for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the producer is, the cash deposit rate will be the rate established in the completed segment for the most recent period for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will be 53.66 percent, the all-others rate established in the lessthan-fair-value investigation.¹⁸ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and

777(i)(1) of the Act and 19 CFR 351.221.

Dated: June 27, 2024.

Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.
