Abstract of Information Available

Based on the information available, human remains representing, at least, one individual have been reasonably identified. No associated funerary objects are present. The individual's remains were disturbed in 1990 during the excavation and expansion of 45 Moore Road, Town of Germantown, Columbia County, New York, which overlooks the Hudson River. The Columbia County Sheriff's Department opened an investigation (Case 6641-90). On August 8, 1990, a Columbia County Sheriff's Department investigator brought the remains to the Onondaga County Medical Examiner's Office for analysis. After William C. Rodriguez, III, Ph.D., completed his analysis, the remains were stored at the Onondaga County Medical Examiner's Office until May 1, 1991, when they were returned to the Columbia County Sheriff's Office. Sometime after that, they were brought to the Town of Germantown Records Retention Room, where they have been since. The Town Historian discovered the individual's remains in the records retention room on January 13, 2024. According to the report, the remains contain portions of the cranium, distal portions of the left and right humeri, proximal end of the right ulnae, right tibial mid-shaft, superior portions of the left and right scapula, superior half of the left innominate, both femurs, rib fragments, right temporal and parietal bone portions, assorted phalanges of the feet, right half of the mandible, including 1st and 2nd molars, maxilla.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains described in this notice.

The Town of Germantown has determined that:

- The human remains described in this notice represent the physical remains of one individual of Native American ancestry.
- There is a reasonable connection between the human remains described in this notice and the Delaware Nation, Oklahoma; Delaware Tribe of Indians; and the Stockbridge Munsee Community, Wisconsin.

Requests for Repatriation

Written requests for repatriation of the human remains in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.

Repatriation of the human remains in this notice to a requestor may occur on or after August 12, 2024. If competing requests for repatriation are received, the Town of Germantown must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains are considered a single request and not competing requests. The Town of Germantown is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

The unassociated funerary objects have been identified by a preponderance of the evidence as related to human remains, specific individuals, or families, or removed from a specific burial site or burial area of an individual or individuals with cultural affiliation to an Indian Tribe or Native Hawaiian organization.

• There is a reasonable connection between the cultural items described in this notice and the Klamath Tribes and Modoc Nation.

SUPPLEMENTARY INFORMATION:

Background.—On May 6, 2024, the Commission determined that the domestic interested party group response to its notice of institution (89 FR 6540, February 1, 2024) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.¹ Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Act (19 U.S.C. 1675(c)(3)).

For further information concerning the conduct of these reviews and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Staff report.—A staff report containing information concerning the subject matter of the reviews has been placed in the nonpublic record, and will be made available to persons on the Administrative Protective Order service list for these reviews on July 31, 2024. A public version will be issued thereafter, pursuant to § 207.62(d)(4) of the Commission’s rules.

other than an interested party to the reviews may file written comments with the Secretary on what determination the Commission should reach in the reviews. Comments are due on or before 5:15 p.m. on August 8, 2024 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by August 8, 2024. However, should the Department of Commerce (“Commerce”) extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce’s final results is three business days after the issuance of Commerce’s results. If comments contain business proprietary information (BPI), they must conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission’s rules. The Commission’s *Handbook on Filing Procedures*, available on the Commission’s website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission’s procedures with respect to filings.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination.—The Commission has determined these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Act; this notice is published pursuant to § 207.62 of the Commission’s rules.
