

unfinished and whether assembled or unassembled, are subject merchandise.

LSPTVs and subassemblies subject to this investigation include those that are produced in the subject country whether assembled with other components in the subject country or in a third country. Processing or completion of finished and unfinished LSPTVs and subassemblies either in the subject country or in a third country does not remove the product from the scope.

Specifically excluded from the scope of this investigation are all-terrain vehicles (which typically have straddle seating and are steered by handlebars), multipurpose off-highway utility vehicles (which typically have a maximum top nameplate speed of greater than 25 miles per hour), and recreational off-highway vehicles (which typically have a maximum top nameplate speed of greater than 30 miles per hour). Also excluded from the scope are go-karts, electric scooters, golf trolleys, and mobility aids (which include power wheelchairs and scooters which are used for the express purpose of enabling mobility for a person).

The LSPTVs subject to the investigation are typically classified in the Harmonized Tariff Schedule of the United States (HTSUS) at subheading 8703.10.5030. LSPTVs subject to the investigation may also enter under HTSUS subheading 8703.90.0100. The LSPTV subassemblies that are subject to the investigation typically enter under HTSUS subheadings 8706.00.1540 and 8707.10.0040. The HTSUS subheadings are provided for convenience and customs purposes only, and the written description of the merchandise subject to the investigation is dispositive.

AGENCY: National Institute of Standards and Technology, Department of Commerce.

ACTION: Notice of open meeting.

SUMMARY: The National Institute of Standards and Technology (NIST) announces that the National Artificial Intelligence Advisory Committee (NAIAC or Committee) will hold a virtual briefing session. This session will be held via web conference on Thursday, August 1, 2024, from 2:00 p.m.–3:30 p.m. Eastern Time. The primary purpose of this informational briefing organized by the NAIAC's AI in Work and the Workforce Working Group is to have invited guests brief the full Committee on topics of interest related to AI the workforce. The briefings are from outside subject matter experts to the full Committee. The final agenda

will be posted on the NIST website at <https://www.nist.gov/itl/national-artificial-intelligence-advisory-committee-naiac>.

DATES: The NAIAC will meet on Thursday, August 1, 2024 from 2:00 p.m.–3:30 p.m. Eastern Time.

ADDRESSES: The meeting will be held via webinar. Please note participation instructions under the **SUPPLEMENTARY INFORMATION** section of this notice.

FOR FURTHER INFORMATION CONTACT:

Cheryl L. Gendron, Designated Federal Officer, Information Technology Laboratory, National Institute of Standards and Technology, Telephone: (301) 975-2785, Email address: cheryl.gendron@nist.gov. Please direct any inquiries to the committee at naiac@nist.gov.

SUPPLEMENTARY INFORMATION: Pursuant to the Federal Advisory Committee Act, as amended, 5 U.S.C. 1001 *et seq.*, notice is hereby given that the NAIAC will meet virtually as set forth in the **DATES** section of this notice. The meetings will be open to the public.

The NAIAC is authorized by section 5104 of the National Artificial Intelligence Initiative Act of 2020 (Pub. L. 116-283), in accordance with the provisions of the Federal Advisory Committee Act, as amended (FACA), 5 U.S.C. 1001 *et seq.* The Committee advises the President and the National Artificial Intelligence Initiative Office on matters related to the National Artificial Intelligence Initiative. Additional information on the NAIAC is available at ai.gov/naiac/.

The primary purpose of this meeting is to have the AI and Workforce Working Group of the NAIAC host a panel on AI and Just Transitions for American Workers, exploring how the nation can take fresh and innovative worker-first approaches to help people enjoy lifelong career success. Ensuring that workers have job experiences that are dignified, career-enhancing, and allow for job mobility is not only an imperative for worker and community wellbeing; it ensures a stronger and more competitive US economy. The panels will seek to encourage a pragmatic, multi-disciplinary, and multi-stakeholder approach to the problem. Thus, it seeks participation from organizations, experts, workers, and employers interested in offering a range of perspectives and fresh ideas supporting worker success in an increasingly AI-influenced workforce and economy. Additional information, including the speaker names, will be available on the agenda, which will be posted online. Members of the public interested in reviewing the agenda in

advance and viewing the sessions are encouraged to visit <https://www.nist.gov/itl/national-artificial-intelligence-advisory-committee-naiac> for session details and to register to watch virtually. The agenda items may change to accommodate NAIAC business. The final agenda will be posted on the NIST website at <https://www.nist.gov/itl/national-artificial-intelligence-advisory-committee-naiac>.

Comments: Individuals and representatives of organizations who would like to offer comments and suggestions related to items on the Committee's agenda for this meeting are invited to submit comments in advance of the event. Please note that all comments submitted via email will be treated as public documents and will be made available for public inspection. All comments must be submitted via email with the subject line "August 1, 2024, NAIAC Public Meeting" to naiac@nist.gov by 5 p.m. Eastern Time, July 31, 2024. NIST will not accept comments accompanied by a request that part or all of the comment be treated confidentially because of its business proprietary nature or for any other reason. Therefore, do not submit confidential business information or otherwise sensitive, protected, or personal information, such as account numbers, Social Security numbers, or names of other individuals. Members of the public may also submit written comments to the NAIAC at any time.

Virtual Meeting Registration Instructions: The meetings will be broadcast via web conference. Requests for special accommodations may be made by emailing cheryl.gendron@nist.gov. Registration is required to view the web conference. Instructions on how to register will be made available at <https://www.nist.gov/itl/national-artificial-intelligence-advisory-committee-naiac>. Registration will remain open until the conclusion of the meetings.
