

EXEMPTIONS PROMULGATED FOR THE SYSTEM:

Records in this system that have been compiled in reasonable anticipation of a civil action or proceeding are exempt from individual access as permitted by 5 U.S.C. 552a(d)(5). The USPS has also claimed exemption from certain provisions of the Act for several of its other systems of records at 39 CFR 266.9. To the extent that copies of exempted records from those other systems are incorporated into this system, the exemptions applicable to the original primary system continue to apply to the incorporated records.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–100490; File No. SR–NYSEAMER–2024–43]

Self-Regulatory Organizations; NYSE American LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the NYSE American Options Fee Schedule

July 10, 2024.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (“Act”)² and Rule 19b–4 thereunder,³ notice is hereby given that, on July 1, 2024, NYSE American LLC (“NYSE American” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the NYSE American Options Fee Schedule (“Fee Schedule”) regarding the American Customer Engagement (“ACE”) Program. The Exchange proposes to implement the fee change effective July 1, 2024. The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below.

¹ 15 U.S.C. 78s(b)(1).

² 15 U.S.C. 78a.

³ 17 CFR 240.19b–4.

The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to modify Section I.E. of the Fee Schedule regarding the ACE Program. Specifically, the Exchange proposes to clarify the operation of the Program as relates to Customer volume executed via the BOLD Mechanism (“BOLD volume”) and to make other minor technical changes as described herein.⁴ This proposal would not alter how the ACE Program operates (or the credits applied on eligible BOLD volume) and is instead designed to clarify a potential ambiguity in the Fee Schedule.

The ACE Programs, as described in Section I.E., offers Order Flow Providers (OFP)⁵ per contract credits based on, and applied to, certain Electronic Customer volume executed on the Exchange.⁶ The ACE Program has five tiers and offers increasing per contract credits to an OFP that meets or exceeds increasing volume thresholds. Regarding BOLD volume, Section I.E. provides that “[t]he per contract credits in the table below apply to Electronic options transactions, including those executed via the BOLD Mechanism” and that such volume “will be included in an OFP’s Electronic volume calculation for purposes of the ACE Program.”[sic]⁷

Section I.M. of the Fee Schedule describes the fees and credits applied to BOLD volume.⁸ Specifically, the Exchange offers per contract credits on each “BOLD Initiating Order” executed on behalf of Customers that are the “[b]etter of (\$0.12) or, if eligible for a higher credit via the ACE Program, per Section I.E., (\$0.13).”⁹ Thus, although not specified in Section I.E., an OFP’s potential per contract credit on eligible BOLD volume is capped at (\$0.13)

⁴ See Rule 994NY (describing the operation of the Broadcast Order Liquidity Delivery (“BOLD”) Mechanism).

⁵ An OFP is an Order Flow provider means “any ATP Holder that submits, as agent, orders to the Exchange.” See Rule 900.2NY.

⁶ See Fee Schedule, Section I.E. (American Customer Engagement (“ACE”) Program).

⁷ *Id.*

⁸ See Fee Schedule, Section I.M. (BOLD Mechanism Fees & Credits).

⁹ See *id.* A “BOLD Initiating Order” is “an order submitted to be executed via the BOLD Mechanism.” See Fee Schedule, KEY TERMS and DEFINITIONS.
