DEPARTMENT OF HOMELAND SECURITY

U.S. Customs and Border Protection

Air Declaration Zone Test

AGENCY: U.S. Customs and Border Protection; DHS.

ACTION: General notice.

SUMMARY: This document announces that U.S. Customs and Border Protection (CBP) will conduct a Declaration Zone test at air terminal facilities at participating air ports of entry (POEs) to fulfill a regulatory declaration requirement and allow for streamlined processing. Current CBP regulations require each traveler at air POEs to provide an oral or written declaration of all articles brought into the United States, to a CBP officer (CBPO). The test will provide arriving travelers with an alternative method to meet this requirement by allowing a demonstrative initial declaration. During the test, CBP will establish two queues for travelers entering the country to choose from: Items to Declare and No Items to Declare. Known as “Declaration Zones,” these queues will allow travelers entering the country through participating air POEs to make their initial declaration simply by choosing which queue to enter. This notice describes the test, and also sets forth requirements for participating in the test, the duration of the test, and how CBP will evaluate the test. This notice also invites public comment on any aspect of the test.

DATES: The test will begin no earlier than August 19, 2024 and will run for approximately two years. The start date will be in accordance with the air POE’s ability to implement the declaration zones. Comments concerning this notice and all aspects of the announced test may be submitted at any time during the test period to the address set forth below.

ADDRESSES: Written comments concerning program, policy, and technical issues may be submitted at any time during the test period via email to BiometricAir@cbp.dhs.gov. Please use “Comment on Declaration Zone Test” in the subject line of the email.
