

determined to review the FID's jurisdiction findings. On review, the Commission notes that it interprets the ALJ's use of "in personam jurisdiction" as a shorthand to refer to the Commission's statutory authority to investigate a particular respondent's accused articles that are imported into the United States or sold after importation, and interprets the ALJ's use of "in rem jurisdiction" as a shorthand to refer to its statutory authority to investigate the importation into the United States or the sale of such articles. The Commission has also determined to review, and on review, take no position regarding the following findings in the FID: (1) the interstate commerce findings (FID at 103–105); (2) that NOCO has demonstrated that it has a domestic industry (FID at 136–149); and (3) that NOCO has not demonstrated substantial injury or a threat of substantial injury to its domestic industry (FID at 149–171). The Commission has determined not to review the remainder of the FID.

The investigation is terminated with a finding of no violation of section 337.

The Commission vote for this determination took place on July 22, 2024.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).
