Final Approval Under OMB Delegated Authority of the Extension for Three Years, Without Revision, of the Following Information Collection

Collection title: Recordkeeping and Disclosure Requirements Associated with the CFPB's Regulation M.

Collection identifier: FR M.

OMB control number: 7100-0202.

General description of collection: The Consumer Leasing Act (CLA) and Regulation M require lessors uniformly to disclose to consumers the costs, liabilities, and terms of consumer lease transactions. The Dodd-Frank Wall Street Reform and Consumer Protection

Act transferred rulemaking authority for the CLA to the Consumer Financial Protection Bureau (CFPB) except for certain motor vehicle dealers that are excluded from the CFPB's authority, which remain subject to the Board's Regulation M. The FR M is the Board's information collection associated with Regulation M. These disclosures are provided to consumers before they enter into lease transactions and in advertisements that state the availability of consumer leases on particular terms. The disclosures are intended to provide consumers with meaningful disclosures about the costs and terms of leases for personal property and enable consumers to compare the terms for a particular lease with those for other leases and, when appropriate, to compare lease terms with those for credit transactions.

Frequency: Event generated.

Respondents: The FR M panel comprises state member banks with assets of \$10 billion or less that are not affiliated with an insured depository institution with assets over \$10 billion (irrespective of the consolidated assets of any holding company); non depository affiliates of such state member banks; and non depository affiliates of bank holding companies that are not affiliated with an insured depository institution with assets over \$10 billion. Notwithstanding the foregoing, the CFPB, and not the Board, has supervisory authority for Regulation M with respect to automobile leasing over non-banks defined as "larger participants" in the automobile finance market pursuant to 12 U.S.C. 5514 (implemented by 12 CFR 1090.108).

Total estimated number of respondents: 3.

Total estimated annual burden hours: 17.

Current actions: On March 7, 2024, the Board published a notice in the **Federal Register** (89 FR 16567) requesting public comment for 60 days on the extension, without revision, of the FR M. The comment period for this notice expired on May 6, 2024. The Board did not receive any comments.

Board of Governors of the Federal Reserve System, July 23, 2024.

Collection title: Recordkeeping Requirements Associated with Regulation GG.

Collection identifier: FR GG.

General description of collection:

Regulation GG—Prohibition on Funding of Unlawful internet Gambling (12 CFR part 233) is related to the Unlawful internet Gambling Enforcement Act of 2006. These recordkeeping requirements are contained in section 5 of Regulation GG. Policies and procedures reasonably designed to identify and block, or otherwise prevent or prohibit, restricted transactions are necessary because Congress found that internet gambling is primarily funded through personal use of payment system instruments, credit cards, and wire transfers.
