[Docket No. FRA–2024–0009]

Proposed Agency Information Collection Activities; Comment Request

AGENCY: Federal Railroad Administration (FRA), Department of Transportation (DOT).

ACTION: Notice of information collection; request for comment.

SUMMARY: Under the Paperwork Reduction Act of 1995 (PRA) and its implementing regulations, this notice announces that FRA is forwarding the Information Collection Request (ICR) summarized below to the Office of Management and Budget (OMB) for review and comment. The ICR describes the information collection and its expected burden. On May 28, 2024, FRA published a notice providing a 60-day period for public comment on the ICR. FRA received no comments in response to the notice.

DATES: Interested persons are invited to submit comments on or before August 29, 2024.

ADDRESSES: Written comments and recommendations for the proposed ICR should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find the particular ICR by selecting “Currently under Review—Open for Public Comments” or by using the search function.

FOR FURTHER INFORMATION CONTACT: Ms. Arlette Mussington, Information Collection Clearance Officer, at email: arlette.mussington@dot.gov or telephone: (571) 609–1285 or Ms. Joanne Swafford, Information Collection Clearance Officer, at email:

joanne.swafford@dot.gov or telephone: (757) 897–9908.

SUPPLEMENTARY INFORMATION: The PRA, 44 U.S.C. 3501–3520, and its implementing regulations, 5 CFR part 1320, require Federal agencies to issue two notices seeking public comment on information collection activities before OMB may approve paperwork packages. See 44 U.S.C. 3506, 3507; 5 CFR 1320.8 through 1320.12. On May 28, 2024, FRA published a 60-day notice in the **Federal Register** soliciting public comment on the ICR for which it is now seeking OMB approval. See 89 FR 46302. FRA has received no comments related to the proposed collection of information.

Before OMB decides whether to approve this proposed collection of information, it must provide 30 days’ notice for public comment. Federal law requires OMB to approve or disapprove paperwork packages between 30 and 60 days after the 30-day notice is published. 44 U.S.C. 3507(b)–(c); 5 CFR 1320.12(d); see also 60 FR 44978, 44983, Aug. 29, 1995. The 30-day notice informs the regulated community of their opportunity to file relevant comments and affords the agency adequate time to consider public comments before it renders a decision. 60 FR 44983, Aug. 29, 1995. Therefore, respondents should submit their respective comments to OMB within 30 days of publication to best ensure having their full effect.

Comments are invited on the following ICR regarding: (1) whether the information collection activities are necessary for FRA to properly execute its functions, including whether the information will have practical utility; (2) the accuracy of FRA’s estimates of the burden of the information collection activities, including the validity of the methodology and assumptions used to determine the estimates; (3) ways for FRA to enhance the quality, utility, and clarity of the information being collected; and (4) ways to minimize the burden of information collection activities on the public, including the use of automated collection techniques or other forms of information technology.

The summary below describes the ICR that FRA will submit for OMB clearance as the PRA requires:

Title: Federal Railroad Administration Alleged Violation and Inquiry Form.

OMB Control Number: 2130–0590.

Abstract: The FRA Alleged Violation and Inquiry Form is a response to section 307(b) of the Rail Safety Improvement Act of 2008, which requires FRA to “provide a mechanism for the public to submit written reports

of potential violations of Federal railroad safety and hazardous materials transportation laws, regulations, and orders to the Federal Railroad Administration.” The FRA Alleged Violation and Inquiry Form allows the public to submit alleged violations, complaints, or inquiries directly to FRA.

The form allows FRA to collect information necessary to investigate the alleged violation, complaint, or inquiry, and to follow up with the submitting party. FRA may share the information collected with partnering States under its State Rail Safety Participation Program and with law enforcement agencies.

Type of Request: Extension without change (with changes in estimates) of a currently approved information collection.

Affected Public: Public.

Form(s): FRA F 6180.151

Respondent Universe: Public.

Frequency of Submission: On occasion.

Total Estimated Annual Responses: 1000.

Total Estimated Annual Burden: 120 hours.

Total Estimated Annual Burden Hour Dollar Cost Equivalent: \$5,173.

FRA informs all interested parties that it may not conduct or sponsor, and a respondent is not required to respond to, a collection of information that does not display a currently valid OMB control number.

Authority: 44 U.S.C. 3501–3520.

The summary below describes the ICR that FRA will submit for OMB clearance as the PRA requires:

Title: Conductor Certification.

OMB Control Number: 2130–0596.

Abstract: FRA’s conductor certification regulation (49 CFR part 242) requires railroads to have a formal program for certifying conductors. As part of that program, railroads are required to have a process for determining competency to serve as a conductor through training, testing, and qualifying prospective and existing conductors before issuing each person certification or recertification. The regulation is intended to ensure that only those persons who meet minimum Federal safety standards serve as conductors.

FRA collects information to ensure that railroads and their employees fully comply with all the requirements of part 242, including a conductor certification/recertification program, fitness requirements, initial and periodic testing, and territorial qualifications.

Type of Request: Extension without change (with changes in estimates) of a currently approved collection.

Affected Public: Businesses (railroads).

Central Florida Rail Corridor’s Request To Amend Its Positive Train Control Safety Plan and Positive Train Control System

AGENCY: Federal Railroad Administration (FRA), Department of Transportation (DOT).

ACTION: Notice of availability and request for comments.

SUMMARY: This document provides the public with notice that, on July 19, 2024, Central Florida Rail Corridor (CFRC) submitted a request for amendment (RFA) to its FRA-approved Positive Train Control Safety Plan (PTCSP). As this RFA involves a request for FRA’s approval of proposed material modifications to an FRA-certified positive train control (PTC) system, FRA is publishing this notice and inviting public comment on the railroad’s RFA to its PTCSP.

DATES: FRA will consider comments received by August 19, 2024. FRA may consider comments received after that date to the extent practicable and without delaying implementation of valuable or necessary modifications to a PTC system.

ADDRESSES:

Comments: Comments may be submitted by going to <https://www.regulations.gov> and following the online instructions for submitting comments.

Instructions: All submissions must include the agency name and the applicable docket number. The relevant PTC docket number for this host railroad is Docket No. FRA–2011–0104. For convenience, all active PTC dockets are hyperlinked on FRA’s website at <https://railroads.dot.gov/research-development/program-areas/train-control/ptc/railroads-ptc-dockets>. All comments received will be posted without change to <https://www.regulations.gov>; this includes any personal information.
