On November 29, 2022, HUD published a notice (87 FR 73317) announcing the TIAC membership. Thus, to strengthen HUD's engagement with Tribal Nations, HUD established its first Tribal advisory committee. The first in-person TIAC meeting was held on Wednesday, April 12, 2023, and Thursday, April 13, 2023, in Washington DC. On September 27, 2023, and September 28, 2023, the second in-person meeting of the TIAC was held in Tucson, Arizona. On May 15, 2024, and May 16, 2024, the third in-person meeting was held in Washington DC.

The Committee will operate under the Tribal government statutory exemption to the Federal Advisory Committee Act (FACA) found in the Unfunded Mandates Reform Act (UMRA) at 2 U.S.C. 1534(b). Accordingly, participation in the meeting is limited to TIAC members. Members of the public may not formally participate in the meeting or make statements during the meeting.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-7092-N-34]

Privacy Act of 1974; System of Records

AGENCY: Office of the Chief Financial Officer, HUD.

ACTION: Notice of a new system of records.

SUMMARY: Under the Privacy Act of 1974, as amended, the Department of the Housing and Urban Development (HUD), Office of the Chief Financial Officer (OCFO), is issuing a public notice of its intent to create a new system of records, Voice of the Customer (VoC). HUD has developed VoC system of records to satisfy the Executive Order 14058, on Transforming Federal Customer Experience and Service Delivery to Rebuild Trust in Government, issued on December 13, 2021. The VoC platform provides customers with the ability to share their likes and dislikes about HUD's products or services. Customers feedback lets HUD focus on improving areas that would result in customer satisfaction and improve trust in the federal government.

DATES: Comments will be accepted on or before September 3, 2024. This proposed action will be effective on the date following the end of the comment period unless comments are received which result in a contrary determination.

ADDRESSES: You may submit comments, identified by docket number or by one of the following methods:

Federal e-Rulemaking Portal: <http://www.regulations.gov>. Follow the instructions provided on that site to submit comments electronically.

Fax: 202-619-8365.

Email: www.privacy@hud.gov.

Mail: Attention: Privacy Office; LaDonne White, Chief Privacy Officer; The Executive Secretariat; 451 Seventh Street SW, Room 10139; Washington, DC 20410-0001.

Instructions: All submissions received must include the agency name and docket number for this rulemaking. All comments received will be posted without change to [http://](http://www.regulations.gov)

SUPPLEMENTARY INFORMATION: This system allows HUD to build surveys of varying complexity, distribute surveys via different delivery methods, centrally manage customer feedback data, and enable enterprise-wide qualitative and quantitative data analysis on both data collected through the system and data imported into the system. The Voice of the Customer data can come in through a variety of ways. It can be a web/paper survey, a phone call, an email, or anything having all that separate data on one platform will help OCFO's Customer Experience team hear what customers have to say holistically. The gathered feedback is both customer and employee experience data as it pertains to their interactions with HUD. Contact information will be requested, but is voluntary/optional, and is only collected/used for future research. This would include gathering a person's name and contact information they are willing to provide (email or phone number). This data would be used for research purposes only to further investigate how to improve customers' experiences with HUD. These interactions would include moments when the customer/employee interacts with HUD (For example, a customer visits the HUD website for information, or an employee visits the intranet for information). The data would be collected via surveys or conversations regarding their experience within that specific moment and/or overall experience.
