Estimated Program Burden: ACL estimates the burden of this collection of information as follows:

Fifty-two grantees report to ACL using NORS.

- a. *Number of respondents:* 52.
- b. *Frequency of response:* 1.
- c. *Total annual responses:* 52.
- d. *Hours per response:* 214.
- e. *Total burden hours:* 11,153.

Dated: August 1, 2024.

Alison Barkoff,

Principal Deputy Administrator for the Administration for Community Living, performing the delegable duties of the Administrator and the Assistant Secretary for Aging.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Community Living

Announcing the Intent To Award a Single-Source Supplement for the National Center for Benefits Outreach and Enrollment (NCBOE)

AGENCY: Administration for Community Living, HHS.

SUMMARY: The Administration for Community Living (ACL) announces the intent to award a single-source supplement to the current cooperative agreement held by the National Council on Aging (NCOA) for the National Center for Benefits Outreach and Enrollment (NCBOE). The purpose of the NCBOE is to provide technical assistance to states, Area Agencies on Aging, Aging and Disability Resource Centers and community-based organizations who conduct outreach and low-income benefits enrollment assistance, particularly to older individuals with greatest economic need for federal and state programs. The administrative supplement for FY 2024 will be for \$3,207,650, bringing the total award for FY 2024 to \$14,707,650.

FOR FURTHER INFORMATION CONTACT: For further information or comments regarding this program supplement, contact Margaret Flowers, U.S. Department of Health and Human Services, Administration for Community Living, Center for Innovation and Partnership, Office of Healthcare Information and Counseling; telephone (202) 795-7315; email Margaret.flowers@acl.hhs.gov.

SUPPLEMENTARY INFORMATION: This supplemental funding will expand the NCBOE's outreach and education efforts

targeting older adults with the greatest economic need, especially people from underserved communities. The NCBOE will build on current efforts to reach and assist beneficiaries, including expanding the work of the Benefits Enrollment Centers, making enhancements to the benefits eligibility and screening tool, and expanding the capacity of the benefits call center. With this supplemental funding, the NCBOE will focus on retirement security, Medicaid and Medicare integration, and streamlining benefits access.

The NCBOE will expand the pilot work on retirement security for older adults with low and moderate incomes. This may include but is not limited to activities such as developing materials, providing technical assistance and training, and conducting and evaluating a pilot with select community-based organizations. The NCBOE should collaborate with ACL to coordinate planned and emerging efforts to help older adults with low and moderate incomes with retirement planning.

The NCBOE should also build on the work done to date to educate individuals who are dually eligible by maintaining the My Care, My Choice decision support tool. The NCBOE should develop plans to support the usage of the tool such as counselor training or piloting with local community based organizations. Additionally, the NCBOE should build leadership among state grantees to educate state Medicaid agencies on Medicare to improve the experience of people who are dually eligible for Medicaid and Medicare.

Additionally, the NCBOE should build on work done to date to explore the approaches to streamlining benefits applications in coordination with federal and state government efforts to modernize access to public benefits. This could include research into the consumer experience and/or convening key stakeholders to discuss opportunities and challenges.

The NCBOE will continue, expand, and complete the work they are currently undertaking with the NCBOE award without disrupting services.

Program Name: The National Center for Benefits Outreach and Enrollment (NCBOE).

Recipient: National Council on Aging (NCOA).

Period of Performance: The award will be issued for the current project period of September 1, 2024 through August 31, 2025.

Total Award Amount: \$14,707,650 in FY 2024.

Award Type: Cooperative Agreement Supplement.

Statutory Authority: The statutory authority is contained in the 2006 Reauthorization of the Older Americans Act and the Medicare Improvements for Patients and Providers Act of 2008, as amended by the Patient Protection and Affordable Care Act of 2010 and most recently reauthorized by the Consolidated Appropriations Act of 2024.

Basis for Award: The National Council on Aging (NCOA) is currently funded to carry out the NCBOE Project for the period of September 1, 2020 through August 31, 2025. Much work has already been completed and further tasks are currently being accomplished. It would be unnecessarily time-consuming and disruptive to the NCBOE project, and the beneficiaries being served for ACL to establish a new grantee at this time when critical services are presently being provided in an efficient manner.

NCOA is uniquely placed to complete the work under the NCBOE grant. Since 2001, NCOA has been the national leader in improving benefits access to vulnerable older adults. They have an unparalleled history of working with community-based organizations to develop and replicate outreach and enrollment solutions while maintaining and enhancing technology to make it easier and more efficient to find benefits. NCOA through NCBOE accomplishes its mission by developing and sharing tools, resources, best practices, and strategies for benefits outreach and enrollment via its online clearinghouse, electronic and print publications, webinars, and training and technical assistance.

In addition, NCOA has BenefitsCheckUp which is, by far, the nation's most comprehensive and widely-used web-based service that screens older and disabled adults with limited incomes and resources and informs them about public and private benefits for which they are very likely to be eligible. BenefitsCheckUp includes more than 2,500 benefits programs from all 50 states and DC, including over 50,000 local offices for people to apply for benefits; and more than 1,500 application forms in every language in which they are available. NCOA is successfully meeting all programmatic goals under the current NCBOE grant.

Dated: August 1, 2024.

Alison Barkoff,

Principal Deputy Administrator for the Administration for Community Living, performing the delegable duties of the Administrator and the Assistant Secretary for Aging.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Institutes of Health

National Institute of Nursing Research; Notice of Meeting

Pursuant to section 1009 of the Federal Advisory Committee Act, as amended, notice is hereby given of a meeting of the National Advisory Council for Nursing Research.

The meeting will be open to the public as indicated below, with attendance limited to space available. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the Contact Person listed below in advance of the meeting. The meeting can be accessed from the NIH Videocast at the following link: <https://videocast.nih.gov/>

The meeting will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), Title 5 U.S.C., as amended. The grant applications and the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: National Advisory Council for Nursing Research.

Date: September 12, 2024.

Open: 9:00 a.m. to 2:30 p.m.

Agenda: Grant applications and/or proposals.

Place: National Institutes of Health, Building 31C, 31 Center Drive, Bethesda, MD 20892 (Hybrid Meeting).

Closed: 2:30 p.m. to 3:00 p.m.

Agenda: To review and evaluate grant applications and/or proposals.

Place: National Institutes of Health, Building 31C, 31 Center Drive Bethesda, MD 20892.

Contact Person: Elizabeth Tarlov, Ph.D., RN, Director, Division of Extramural Science Programs (DESP), National Institute of Nursing Research, 31 Center Drive, Bethesda, MD 20892, (301) 594–1580, elizabeth.tarlov@nih.gov.

Any member of the public interested in presenting oral comments to the committee

may notify the Contact Person listed on this notice at least 10 days in advance of the meeting. Interested individuals and representatives of an organization may submit a letter of intent, a brief description of the organization represented and a short description of the oral presentation. Only one representative of an organization may be allowed to present oral comments and presentations may be limited to five minutes. Both printed and electronic copies are requested for the record. In addition, any interested person may file written comments with the committee by forwarding the statement to the Contact Person listed on this notice. The statement should include the name, address, telephone number and when applicable, the business or professional affiliation of the interested person.

In the interest of security, NIH has procedures at <https://www.nih.gov/about-nih/visitor-information/campus-access-security> for entrance into on-campus and off-campus facilities. All visitor vehicles, including taxicabs, hotel, and airport shuttles will be inspected before being allowed on campus. Visitors attending a meeting on campus or at an off-campus federal facility will be asked to show one form of identification (for example, a government-issued photo ID, driver's license, or passport) and to state the purpose of their visit.

Information is also available on the Institute's/Center's home page: <https://www.ninr.nih.gov/aboutninr/nacnr>, where an agenda and any additional information for the meeting will be posted when available.
