33 CFR Part 165

[Docket Number USCG-2024-0714]

RIN 1625-AA00

Safety Zone, Lake Erie, Cleveland, OH

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for certain navigable waters of Lake Erie offshore of Edgewater Beach in Cleveland, Ohio. This action is necessary to provide for the safety of the swimming event participants on these waters during the Tri CLE Rock and Roll Run, to be held on August 17 and 18, 2024. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port, Sector Eastern Great Lakes, or a designated representative.

DATES: This rule is effective from 10 a.m. on August 17, 2024, through 10:30 a.m. on August 18, 2024, with enforcement periods of 10 a.m. through 1:30 p.m. on August 17, 2024, and 4 a.m. through 10:30 a.m. on August 18, 2024.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule under authority in 5 U.S.C. 553(b)(B). This statutory provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." The Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because this annual event requires a temporary location change from the usual event site and prompt action is required to establish the safety zone in order to ensure the safety of swimming event participants.

Also, under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register** because this annual event requires a temporary location change from the usual event site and prompt action is required to establish the safety zone in order to ensure the safety of swimming event participants.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The Captain of the Port Sector Eastern Great Lakes (COTP) has determined that a safety zone is required to ensure the safety of participants and the navigable waters within the course of the swimming portion of the triathlon before, during, and after the scheduled marine event.

IV. Discussion of the Rule

The COTP is establishing a temporary safety zone from 10:00 a.m. on August 17, 2024, through 10:30 a.m. on August 18, 2024, with enforcement periods of 10 a.m. through 1:30 p.m. on August 17,

2024, and 4 a.m. through 10:30 a.m. on August 18, 2024.

The safety zone would cover all navigable waters and tributaries of Lake Erie offshore Edgewater Beach and immediately adjacent waters in Cleveland, OH. The boundaries of the safety zone form a rectangle with the four corners of the polygon located in the following positions: (1) 41°29'15.76" N, 081°44'46.34" W; (2) 41°29'27.96" N, 081°44'49.87" W; (3) 41°29'31.98" N, 081°44'24.01" W, (4) 41°29'27.46" N, 081°44'22.51" W. The duration of the zone is intended to ensure the safety of participants in these navigable waters before, during, and after the swim portion of the Tri CLE Rock Roll Run triathlon. No vessel or person would be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a "significant regulatory action," under section 3(f) of Executive Order 12866, as amended by Executive Order 14094 (Modernizing Regulatory Review). Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on size, location, and duration of rule. This safety zone would restrict navigation for a relatively small area near Edgewater Beach for the swimming area for 3.5 hours on August 17, 2024, and 6.5 hours on August 18, 2024.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601-612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a

significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian Tribes, on the relationship between the Federal Government and Indian Tribes,

or on the distribution of power and responsibilities between the Federal Government and Indian Tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone that will restrict navigation through the swimming area for 3.5 hours on August 17, 2024, and 6.5 hours on August 18, 2024. It is categorically excluded from further review under paragraph L63a of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

I. Background

The Commission is a micro agency with fewer than 100 employees and is also subject to the FOIA. Generally, most FOIA requests received by the Commission are intended for the Postal Service and the requester is therefore directed to the Postal Service, as a best practice. On April 18, 2024, the Commission issued Order No. 7052, which served as a notice of proposed rulemaking that proposed amendments to its FOIA regulations in existing 39
