Title: Rules Relating to Regulation of Domestic Exchange-Traded Options, OMB Control Number 3038-0007. This is a request for extension of a currently approved collection.

Abstract: Commission Regulations 33.7 and 33.8,² respectively, require futures commission merchants (FCMs) and introducing brokers (IBs): (1) to provide retail (*i.e.*, non-eligible contract participant)³ customers with, and retain, standard risk disclosure statements concerning the risk of trading certain domestic exchange-traded commodity options;⁴ and (2) to retain all related promotional material and the source of authority for information contained therein. These requirements help assure that these customers are not fraudulently induced to invest in these commodity options by persons who misrepresent the risks of such transactions. The recordkeeping requirements assist the Commission and the National Futures Association (NFA) in verifying registrants' compliance with their disclosure obligations and ensuring that related promotional material is not fraudulent or misleading.

This information collection contains the third-party disclosure and recordkeeping requirements needed to ensure regulatory compliance by FCMs and IBs with these Commission Regulations.

With respect to the above collection of information, the CFTC invites comments on:

- Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have a practical use;
- The accuracy of the Commission's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Ways to enhance the quality, usefulness, and clarity of the information to be collected; and

- Ways to minimize the burden of collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology; *e.g.*, permitting electronic submission of responses.

All comments must be submitted in English, or if not, accompanied by an English translation. Comments will be posted as received to <https://www.cftc.gov>. You should submit only information that you wish to make available publicly. If you wish the Commission to consider information that you believe is exempt from disclosure under the Freedom of Information Act, a petition for confidential treatment of the exempt information may be submitted according to the procedures established in section 145.9 of the Commission's regulations.⁵

The Commission reserves the right, but shall have no obligation to, review, pre-screen, filter, redact, refuse or remove any or all of your submission from <https://www.cftc.gov> that it may deem to be inappropriate for publication, such as obscene language. All submissions that have been redacted or removed that contain comments on the merits of the Information Collection Requirement will be retained in the public comment file and will be considered as required under the Administrative Procedure Act and other applicable laws, and may be accessible under the Freedom of Information Act.

² 17 CFR 33.7 and 33.8.

³ Commission Regulation 33.7 does not require FCMs or IBs to provide the disclosure or obtain a related acknowledgment from institutional customers. See 17 CFR 33.7(a)(1). Commission Regulation 1.3 provides that "institutional customer" has the same meaning as "eligible contract participant" ("ECP") as defined in section 1a(18) of the Commodity Exchange Act ("CEA"). Under the CEA, an ECP includes, for example, a financial institution, an insurance company, and a corporation with \$10 million in assets.

⁴ See Commission Regulation 33.2(b). 17 CFR 33.2(b) (providing that Part 33 of the Commission's Regulations applies to commodity option transactions that are options on contracts of sale of a commodity for future delivery except for commodity option transactions that are options on contracts of sale of a commodity for future delivery conducted or executed on or subject to the rules of a foreign board of trade).

Needs and Uses: The Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA), 52 United States Code, Section 203, requires the Presidential designee (Secretary of Defense) to prescribe an official form containing an absentee voter registration and ballot request application for use by the States to permit absent uniformed services voters and overseas voters to participate in general, special, primary and runoff elections for Federal office. The authority for the States to collect personal information comes from UOCAVA. The burden for collecting this information resides in the States. The Federal government neither collects nor retains any personal information associated with this form.

The collected information will be used by State and local election officials to process uniformed service members, spouses and overseas citizens who submit their information to register to vote or receive an absentee ballot. The FPCA is completed in hardcopy or via the Federal Voting Assistance Program's (FVAP) online assistant (fvap.gov), and then submitted by the voter to an
