

Audit Subcommittee

A. The Audit Subcommittee Recommendation to the UCR Board That the UCR Plan Board Remake Existing Audit Compliance Initiatives and Annual State Audit Evaluation Criteria—UCR Audit Subcommittee Chair, UCR Audit Subcommittee Vice-Chair

For Discussion and Possible Board Action

The UCR Audit Subcommittee Chair and Vice-Chair will summarize the recommendations made by the Audit Subcommittee at its July 25, 2024, meeting to remake the existing compliance initiatives applicable to all UCR Plan participating States. The revised compliance initiatives would instead require, beginning with the 2025 registration/audit year, that all participating States meet 3 out of the following 4 compliance initiatives as follows:

- 1. Previous or Reporting Year Unregistered Motor Carrier Audits for Tiers 4, 5, and 6 and requiring 100% closure;
2. Tying Retreat Audits to Inspections that occurred within the previous year or reporting year and requiring 100% closure;
3. Making FARs Audits applicable to the current year (October–June) in Tiers 4, 5, and 6 and requiring 100% closure; and,
4. Previous or Reporting Year UCR Violations Audits and requiring 100% closure. The Board may consider action to approve (1) replacing the current compliance initiatives with the new compliance initiatives described above, and (2) revising the Annual State Audit Reporting Evaluation Process to require participating states to meet 3 out of 4 of the new compliance initiatives beginning with the 2025 registration/audit year.

B. Discussion of Retreat Audit Program and Possible Options Under Consideration for the Program During Motor Carrier UCR Registration/Renewal—UCR Audit Subcommittee Chair, UCR Audit Subcommittee Vice Chair, DSL Transportation and Seiko Soft Representative

The Subcommittee Chair, Vice Chair, DSL Transportation and Seiko Soft will lead a discussion on the status of the new Retreat Audit Program. The new Program utilizes roadside inspection data to conduct real-time automated audits of both non-IRP and IRP-plated commercial motor vehicles (CMVs). At least three possible choices will be presented for Board discussion tying inspection data to a CMVs' UCR registration/renewal:

- Stopping the registration/renewal transaction if the CMV does not agree with the vehicle count.
• Interrupting the registration/renewal transaction by showing inspection data to the

CMV and sending the renewal to support for assistance.

- Allowing for normal CMV registration/renewal but with the creation of a Retreat Audit.

Education and Training Subcommittee

The UCR Education and Training Subcommittee Chair will discuss the development of key projects. The projects that will be discussed include the development of the educational audit certificate program, the optimization and redesign of the UCR Plan website, and the creation of a video explaining the importance of the UCR Plan and the National Registration System.

Industry Advisory Subcommittee

The UCR Industry Advisory Subcommittee Chair will provide an update on current and planned initiatives, to include the development of a video series intended to increase participation in the UCR focused on brokers, motor carriers, and bus operators.

Enforcement Subcommittee

The UCR Enforcement Subcommittee Chair will provide an update on current and planned initiatives to include an update on PowerPoint training, the creation of standards for annual UCR enforcement awards and recognition, and the upcoming awareness initiative.

Dispute Resolution Subcommittee

No significant action to report.

IX. Amendment of "Professional Services Agreement" and "Additional Professional Services Agreement" Between the UCR Plan and DSL Transportation Services, Inc.—UCR Board Chair and UCR Executive Director

For Discussion and Possible Board Action

The UCR Board Chair and the UCR Executive Director will present proposed amendments to the "Professional Services Agreement" and "Additional Professional Services Agreement" between the UCR Plan and DSL Transportation Services, Inc. The proposed amendments would change the scope of both contracts. One proposed amendment would also change the term of the "Additional Professional Services Agreement" should the Board approve Audit Subcommittee Report Item A regarding the remake of compliance initiatives and annual state audit evaluation criteria. The Board may consider action to approve the proposed amendments to both agreements.
