### Amended Final Results of Review

As a result of correcting the ministerial error described above, we determine that the following estimated weighted-average dumping margin exists for the period October 13, 2021, through November 30, 2022:

Exporter or producer	Weighted-average dumping margin (percent)
CS Wind Corporation/CS Wind Malaysia Sdn Bhd .....	17.97

### Disclosure

Commerce intends to disclose the calculations performed in connection with these amended final results of review to interested parties within five days after public announcement of the amended final results or, if there is no public announcement, within five days of the date of publication of the notice of amended final results in the **Federal Register**, in accordance with 19 CFR 351.224(b).

### Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(1), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with these amended final results of review.

Pursuant to 19 CFR 351.212(b)(1), for CS Wind, we calculated importer-specific *ad valorem* assessment rates based on the ratio of the total amount of dumping calculated for the examined sales for each importer to the total entered value of the sales for each importer. Where an importer-specific assessment rate is zero or *de minimis*, within the meaning of 19 CFR 351.106(c)(1), Commerce will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For entries of subject merchandise during the POR produced by CS Wind for which it did not know that its merchandise was destined for the United States, we will instruct CBP to liquidate such entries at the all-others

rate established in the less-than-fair-value (LTFV) investigation of 0.00 percent *ad valorem*,<sup>12</sup> if there is no rate for the intermediate company(ies) involved in the transaction.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the amended final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

### Cash Deposit Requirements

The following amended cash deposit requirements will be effective retroactively upon publication of the amended final results of this administrative review in the **Federal Register**, for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after July 10, 2024, the publication date of the *Final Results*, as provided by section 751(a)(2)(C) of the Act: (1) the amended cash deposit rate for subject merchandise exported by CS Wind will be equal to the weighted-average dumping margin established in these amended final results of this review; (2) for merchandise exported by companies not covered in this review but covered in a prior segment of this proceeding, the cash deposit rate will continue to be the company-specific rate published in the completed segment for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original LTFV investigation, but the producer is, then the cash deposit rate will be the rate established in the completed segment for the most recent period for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 0.00 percent, the all-others rate established in the LTFV investigation.<sup>13</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant

entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

### Administrative Protective Order

This notice also serves as the only reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a violation which is subject to sanction.

### Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(h) and 777(i)(1) of the Act, and 19 CFR 351.224(e).

Dated: August 7, 2024.

### Welded Stainless Steel Pressure Pipe From the Socialist Republic of Vietnam: Preliminary Results of Antidumping Duty Administrative Review; 2022–2023

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) preliminarily determines that Sonha SSP Vietnam Sole Member Company Limited (Sonha SSP) and Vinlong Stainless Steel (Vietnam) Co., Ltd. (Vinlong) sold subject merchandise to the United States at less than normal value (NV) during the period of review (POR) July 1, 2022, through June 30, 2023.

**DATES:** Applicable August 13, 2024.

**SUPPLEMENTARY INFORMATION:**

**Background**

On July 21, 2014, Commerce published in the **Federal Register** the antidumping duty (AD) order on welded stainless steel pressure pipe (welded pressure pipe) from Socialist Republic of Vietnam (Vietnam). On July 3, 2023, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the *Order*.<sup>1</sup>

On September 11, 2023, Commerce published in the **Federal Register** the initiation notice of an administrative review of the AD *Order* on welded pressure pipe from Vietnam.<sup>2</sup> Commerce selected Sonha SSP and Vinlong as mandatory respondents in this administrative review.<sup>3</sup> On March 8, 2024, Commerce extended the deadline for these preliminary results to July 30, 2024.<sup>4</sup> On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.<sup>5</sup> The deadline for these preliminary results is now August 6, 2024. For a complete description of the events that followed the initiation of this administrative review, see the Preliminary Decision Memorandum.<sup>6</sup>

**Scope of the Order**

The merchandise covered by this *Order* is circular welded austenitic stainless pressure pipe not greater than 14 inches in outside diameter. A full description of the scope of the *Order* is contained in the Preliminary Decision Memorandum.<sup>7</sup>

**Vietnam-Wide Entity**

Under Commerce’s policy regarding the conditional review of the Vietnam-wide entity,<sup>8</sup> the Vietnam-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the Vietnam-wide entity in this review, the entity is not under review, and the entity’s rate (*i.e.*, 16.25) is not subject to change.<sup>9</sup>

With the exception of Sonha SSP and Vinlong, Commerce considers all other companies for which a review was requested and did not demonstrate separate rate eligibility to be part of the Vietnam-wide entity.<sup>10</sup> For these preliminary results, we consider Mejonson Industrial Vietnam Co., Ltd., to be part of the Vietnam-wide entity because it did not file a separate rate application or certification. For additional information, see the Preliminary Decision Memorandum.

**Methodology**

Commerce is conducting this review in accordance with section 751(a)(1)(B)

of the Tariff Act of 1930, as amended (the Act). We calculated export price in accordance with section 772 of the Act. Because Vietnam is a non-market economy country within the meaning of section 771(18) of the Act, we calculated NV in accordance with section 773(c) of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. A list of topics discussed in the Preliminary Decision Memorandum is included in Appendix I of this notice. In addition, a complete version of the Preliminary Decision Memorandum can be found at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

**Preliminary Results of the Administrative Review**

Commerce preliminarily determines that the following estimated weighted-average dumping margins exist for the administrative review covering the period July 1, 2022, through June 30, 2023:

Exporter	Weighted-average dumping margin (percent)
Sonha SSP Vietnam Sole Member Company Limited/Sonha International Corporation <sup>11</sup> .....	144.51
Vinlong Stainless Steel (Vietnam) Co., Ltd .....	144.51
Vietnam-wide Entity .....	16.25

**Disclosure and Public Comment**

We intend to disclose the calculations performed to parties within five days after public announcement of the preliminary results or, if there is no

public announcement, within five days of the date of publication of this notice.<sup>12</sup> Interested parties may submit case briefs no later than 30 days after the date of publication of this notice.<sup>13</sup>

proceeding must submit it: (1) a table of contents listing each issue; and (2) a table of authorities.<sup>15</sup>

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their briefs that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.<sup>16</sup> Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).<sup>17</sup>

Interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS.<sup>18</sup> Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants and whether any participant is a foreign national; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in case and rebuttal briefs.<sup>19</sup> If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined. A hearing request must be filed electronically using ACCESS and received in its entirety by 5:00 p.m. Eastern Time within 30 days after the publication of this notice.

### Final Results of Review

Unless the deadline is extended, Commerce intends to issue the final results of this review, including the results of its analysis of the issues raised in any written briefs, no later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

### Assessment Rates

Upon issuing the final results, Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.<sup>20</sup> Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

For each individually examined respondent in this review whose weighted-average dumping margin in the final results of review is not zero or *de minimis* (*i.e.*, less than 0.5 percent), Commerce intends to calculate importer/customer-specific assessment rates.<sup>21</sup> Where the respondent reported reliable entered values, Commerce intends to calculate importer/customer-specific *ad valorem* assessment rates by aggregating the amount of dumping calculated for all U.S. sales to the importer/customer and dividing this amount by the total entered value of the merchandise sold to the importer/customer.<sup>22</sup> Where the respondent did not report entered values, Commerce will calculate importer/customer-specific assessment rates by dividing the amount of dumping for reviewed sales to the importer/customer by the total quantity of those sales. Commerce will calculate an estimated *ad valorem* importer/customer-specific assessment rate to determine whether the per-unit assessment rate is *de minimis*; however, Commerce will use the per-unit assessment rate where entered values were not reported.<sup>23</sup> Where an importer/customer-specific *ad valorem* assessment rate is not zero or *de minimis*, Commerce will instruct CBP to collect the appropriate duties at the time of liquidation. Where either the respondent's weighted average dumping margin is zero or *de minimis*, or an importer/customer-specific *ad valorem* assessment rate is zero or *de minimis*, Commerce will instruct CBP to liquidate appropriate entries without regard to antidumping duties.<sup>24</sup>

Pursuant to Commerce's refinement to its practice, for sales that were not reported in the U.S. sales database submitted by a respondent individually examined during this review, Commerce will instruct CBP to liquidate the entry of such merchandise at the dumping margin assigned to the Vietnam-wide entity.<sup>25</sup> For respondents not individually examined in this administrative review that qualified for a separate rate, the assessment rate will be equal to the weighted-average dumping margin assigned to the respondent in the final results of this review.<sup>26</sup>

Additionally, where Commerce determines that an exporter under review had no shipments of subject merchandise to the United States during the POR, any suspended entries of subject merchandise that entered under that exporter's CBP case number during the POR will be liquidated at the dumping margin assigned to the Vietnam-wide entity.

In accordance with section 751(a)(2)(C) of the Act, the final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated antidumping duties, where applicable.

### Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) for the exporters listed above, the cash deposit rate will be equal to the weighted-average dumping margins established in the final results of this review, except if the rate is *de minimis*, in which case the cash deposit rate will be zero; (2) for previously-examined Vietnamese and non-Vietnamese exporters not listed above that at the time of entry are eligible for a separate rate base on a prior completed segment of this proceeding, the cash deposit rate

will continue to be the existing exporter-specific cash deposit rate; (3) for all non-Vietnamese exporters of subject merchandise which at the time of entry do not have a separate rate, the cash deposit rate will be the rate applicable to the Vietnamese exporter that supplied the non-Vietnamese exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

### Notification to Interested Parties

Commerce is issuing and publishing the preliminary results of this review in accordance with sections 751(a)(1)(B) and 777(i) of the Act, and 19 CFR 351.221(b)(4).

### SUPPLEMENTARY INFORMATION:

#### The Petition

On July 10, 2024, the U.S. Department of Commerce (Commerce) received a countervailing duty (CVD) petition concerning imports of certain tungsten shot (tungsten shot) from the People's Republic of China (China) filed in proper form on behalf of Tungsten Parts Wyoming, Inc. (the petitioner), a domestic producer of tungsten shot.<sup>1</sup> The Petition was accompanied by an antidumping duty (AD) petition concerning imports of tungsten shot from China.<sup>2</sup>

On July 22, 2024, Commerce tolled the deadline for this administrative proceeding by seven days.<sup>3</sup> The deadline for the initiation is now August 6, 2024.

Between July 12 and 30, 2024, Commerce requested supplemental information from the petitioner regarding the Petition in supplemental questionnaires.<sup>4</sup> The petitioner responded to Commerce's supplemental questionnaires between July 18 and August 1, 2024.<sup>5</sup>

In accordance with section 702(b)(1) of the Tariff Act of 1930, as amended (the Act), the petitioner alleges that the Government of China (GOC) is providing countervailable subsidies, within the meaning of sections 701 and

Consistent with section 702(b)(1) of the Act and 19 CFR 351.202(b), the alleged programs for which we are initiating this CVD investigation are supported by information in the Petition that is reasonably available to the petitioner.

Commerce finds that the petitioner filed the Petition on behalf of the domestic industry because the petitioner is an interested party as defined in section 771(9)(C) of the Act. Commerce also finds that the petitioner demonstrated sufficient industry support with respect to the initiation of the requested CVD investigation.<sup>6</sup>

#### Period of Investigation

Because the Petition was filed on July 10, 2024, the period of investigation (POI) is January 1, 2023, through December 31, 2023.<sup>7</sup>

As discussed in the *Preamble* to Commerce's regulations, we are setting aside a period for parties to raise issues regarding product coverage (*i.e.*, scope).<sup>10</sup> Commerce will consider all scope comments received from interested parties and, if necessary, will consult with interested parties prior to the issuance of the preliminary
