#### Assessment Rates

Upon issuing the final results of this review, Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.<sup>13</sup> If the respondent's weighted-average dumping margin is zero or *de minimis* in the final results, Commerce will instruct CBP to liquidate the appropriate entries without regard to duties. If the respondent's weighted-average dumping margin is above *de minimis* (i.e., 0.5 percent) in the final results of this review, Commerce will calculate importer-specific (or customer-specific) assessment rates on the basis of the ratio of the total amount of dumping

calculated for the importer's examined sales to the total entered value of those sales, in accordance with 19 CFR 351.212(b)(1). If an importer-specific rate is zero or *de minimis*, Commerce will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this NSR in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

#### Cash Deposit Instructions

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of the subject merchandise from India entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) for subject merchandise produced and exported by Welspun, the cash deposit rate will be the rate established for Welspun in the final results of this NSR (except, if the rate is zero or *de minimis*, then no cash deposit will be required);<sup>14</sup> (2) for subject merchandise exported by Welspun, but not produced by Welspun, the cash deposit rate will be the producer's rate, or the all others rate (i.e., 12.45 percent)<sup>15</sup> if the producer does not have its own rate; and (3) for subject merchandise produced by Welspun, but not exported by Welspun, the cash deposit rate will be the rate applicable to the exporter, or the all other's rate if the exporter does not have its own rate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's

presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

#### Notification to Interested Parties

We are issuing and publishing these preliminary results of NSR in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act and 19 CFR 351.214.

Dated: August 1, 2024.
