### Notice of Committee Charter Renewal and Objectives and Duties of the Committee

Pursuant to the FACA (5 U.S.C. chapter 10), FHFA announces the renewal of the charter of the Committee.

The purpose of the Committee is to advise FHFA in the exercise of its oversight functions regarding affordable, equitable, and sustainable housing, including but not limited to, affordable, equitable, and sustainable housing needs, barriers to access, barriers to long-term sustainability, and any regulatory, guidance, or policy changes that may be necessary or beneficial to expand such housing. The Committee will focus on FHFA's regulated entities—Fannie Mae, Freddie Mac, and the Federal Home Loan Banks—and their respective roles in providing a reliable source of liquidity and funding to support housing finance and community investment in the single-family and multifamily housing markets.

The duties of the Committee are solely advisory and extend only to its submission of advice and recommendations to FHFA, with supporting information and analysis, which are non-binding on FHFA.

No determinations of fact or policy are to be made by the Committee. The Committee has no decision-making role, and will have no access to non-public FHFA information, including confidential supervisory or other confidential information.

### Membership of the Committee

The FHFA Director will continue to appoint the members of the Committee as their terms expire. To achieve a fairly balanced membership, FHFA will continue to seek members representative of diverse communities, points of view, institution asset sizes, and geographical locations, with expertise in affordable, sustainable, or equitable housing in single-family and

multifamily housing. The Committee will include members with expertise, applicable to Fannie Mae, Freddie Mac, or the Federal Home Loan Banks, in the areas related to the duties and authorities of the Committee, such as: (1) fair lending, fair housing, or civil rights; (2) single-family lending, servicing, development, mortgages, or capital markets; (3) multifamily lending, servicing, development, mortgages, capital markets, or investments (*i.e.* Low-Income Housing Tax Credits); (4) consumer, tenant, or community advocacy; (5) housing market technology; (6) state, local, or tribal government housing policies and programs; and (7) academic or non-academic affiliated housing research.

The Committee consists of approximately 20 members, serving two-year terms. Members serve at the sole discretion of the Director.

The Committee will meet regularly, as required to carry out its functions. It is estimated that the Committee will meet at least twice per year. Generally, Committee meetings will be open to the public.
