BILLING CODE 4140-01-P

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

[Docket ID: FEMA-2024-0011; OMB No. 1660-0006]

Agency Information Collection Activities: Submission for OMB Review, Comment Request; National Flood Insurance Program Policy Forms.

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: 30-Day notice of revision and request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA) will submit the information collection abstracted below to the Office of Management and Budget for review and clearance in accordance with the requirements of the Paperwork Reduction Act of 1995. FEMA invites the general public to take this opportunity to comment on a revision of a currently approved information collection. In accordance with the requirements of the Paperwork Reduction Act of 1995, this notice seeks comments concerning information collected for the selling and servicing of National Flood Insurance Program (NFIP) policies by FEMA's direct servicing agent, NFIP Direct.

DATES: Comments must be submitted on or before September 13, 2024.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection should be made to Director, Information Management Division, 500 C Street SW, Washington, DC 20472, email address FEMA-Information-Collections-Management@fema.dhs.gov or Joycelyn Collins, Underwriting Branch Program Analyst, Federal Insurance Directorate, at 202-701-3383 or Joycelyn.Collins@fema.dhs.gov.

SUPPLEMENTARY INFORMATION: The NFIP is authorized by the National Flood Insurance Act of 1968 (NFIA) (Pub. L. 90-448) and expanded by the Flood Disaster Protection Act of 1973 (Pub. L.

93–234). The NFIA requires FEMA to provide flood insurance at full actuarial rates, reflecting the complete flood risk to structures built or substantially improved, on or after the effective date for the initial Flood Insurance Rate Map for the community, so that the risks associated with buildings in flood-prone areas are borne by those located in such areas and not by taxpayers at large. In accordance with the Flood Disaster Protection Act of 1973, the purchase of flood insurance is mandatory when Federal or Federally-related financial assistance is being provided for acquisition or construction of buildings located, or to be located, within FEMA-identified special flood hazard areas of communities that participate in the NFIP.

FEMA proposes minor revisions to the existing paper forms completed by licensed insurance agents and the addition of a new electronic form that property owners can complete online.

This proposed information collection previously published in the **Federal Register** on April 11, 2024, at 89 FR 25642 with a 60-day public comment period. One public comment discussing wildfires was received, but FEMA considers this comment to not be germane to this NFIP information collection. The purpose of this notice is to notify the public that FEMA will submit the information collection abstracted below to the Office of Management and Budget for review and clearance.
