From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Form 1–K (17 CFR 239.91) is used to file annual reports by Tier 2 issuers under Regulation A, an exemption from registration under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*). Tier 2 issuers under Regulation A conducting offerings of up to \$50 million within a 12-month period are required to file Form 1–K. Form 1–K provides audited year-end financial statements and information about the issuer’s business operation, ownership, management, liquidity, capital resources and operations on an annual basis. In addition, Part I of the Form 1–K collects information on any offerings under Regulation A that have been terminated or completed unless it has been previously reported on Form 1–Z. The purpose of the Form 1–K is to better inform the public about companies that have conducted Tier 2 offerings under Regulation A. We estimate that approximately 353 issuers file Form 1–K annually. We estimate that Form 1–K takes approximately 600 hours to prepare. We estimate that 75% of the 600 hours per response (450 hours) is prepared by the company for a total annual burden of 158,850 hours (450 hours per response × 353 responses).

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including

through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication by October 15, 2024.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Please direct your written comment to Austin Gerig, Director/Chief Data Officer, Securities and Exchange Commission, c/o Oluwaseun Ajayi, 100 F Street NE, Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov.

SECURITIES AND EXCHANGE COMMISSION**[SEC File No. 270–563, OMB Control No. 3235–0649]****Submission for OMB Review; Comment Request; Extension: Rule 17g–5***Upon Written Request, Copies Available*

From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit an extension for this current collection of information to the Office of Management and Budget for approval.

Rule 17g–5(a)(3) and (e) (17 CFR 240.17g–5(a)(3) and (e)) contain collection of information requirements. Specifically, Rule 17g–5(a)(3) prohibits a person within a nationally recognized statistical rating organization (“NRSRO”) from having a conflict of interest relating to the issuance or maintenance of a credit rating for a security or money market instrument issued by an asset pool or as part of any asset-backed securities transaction that was paid for by the issuer, sponsor, or underwriter of the security or money market instrument unless certain information and representations relating to the security are disclosed or furnished.

Currently, there are 6 credit rating agencies registered as NRSROs in the issuer of asset-backed securities category of credit ratings, and it is estimated based on recent issuance data that there are approximately 1,480 new asset-backed securities transactions per year that implicate Rule 17g–5(a)(3). Based on Commission staff’s experience, it is estimated that the total annual hour burden to comply with Rule 17g–5(a)(3) will be 61,899 hours. The Commission further estimates that this annual hour burden will result in a total annual cost of \$14,126,168. This cost is attributable to costs that may be incurred by NRSROs and arrangers of asset-backed securities posting information on a password-protected website, as required by Rule 17g–5, and preparing and procuring representations to determine whether an exemption under the rule applies, as well as costs incurred by NRSROs preparing certifications required under the rule to gain access to websites maintained by other NRSROs or arrangers of asset-backed securities.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

The public may view background documentation for this information collection at the following website: www.reginfo.gov.
