

implementation. In doing so, the group will consider applying the new approach to catch setting and management of species or stock for illustration purposes. They will also review plans for presenting the Risk Policy Concept to Council Advisory Panel members (TOR 3) prior to the September Council meeting. The RPWG will also discuss the focus of future simulation testing and develop a timeline for implementation after the September Council meeting. Other business will be discussed, if necessary.

Although non-emergency issues not contained on the agenda may come before this Council for discussion, those issues may not be the subject of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency. The public also should be aware that the meeting will be recorded. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request.
