### Steel Concrete Reinforcing Bar From the Republic of Türkiye: Preliminary Results and Rescission, in Part, of Antidumping Duty Administrative Review; 2022–2023

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) preliminarily finds that certain producers/exporters of steel concrete reinforcing bar (rebar) from the Republic of Türkiye (Türkiye) made sales of subject merchandise in the United States at prices below normal value (NV) during the period of review (POR) July 1, 2022, through June 30, 2023. In addition, Commerce is rescinding the review, in part, with respect to three companies which had no entries in the U.S. Customs and Border Production (CBP) data. We invite interested parties to comment on these preliminary results.

**DATES:** Applicable August 15, 2024.

**FOR FURTHER INFORMATION CONTACT:** Benito Ballesteros or Samuel Evans, AD/CVD Operations, Office IX, Enforcement and Compliance, International Trade Administration, Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–4725 or (202) 482–2420, respectively.

### SUPPLEMENTARY INFORMATION:

#### Background

On July 14, 2017, Commerce published the antidumping duty order on rebar from Türkiye in the **Federal Register**.<sup>1</sup> On September 11, 2023, based

<sup>1</sup> See *Steel Concrete Reinforcing Bar from the Republic of Turkey and Japan: Amended Final Affirmative Antidumping Duty Determination for the Republic of Turkey and Antidumping Duty Orders*, 82 FR 32532 (July 14, 2017), as amended by *Notice of Court Decision Not in Harmony with*

on timely requests for review, Commerce initiated an administrative review of the *Order* covering six companies, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).<sup>2</sup> On March 6, 2024, we extended the deadline for the preliminary results of this administrative review to July 30, 2024.<sup>3</sup> On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.<sup>4</sup> The deadline for the preliminary results is now August 6, 2024. For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.<sup>5</sup>

### Scope of the Order

The merchandise covered by the *Order* is rebar from Türkiye. For a full description of the scope of the *Order*, see the Preliminary Decision Memorandum.

### Methodology

Commerce is conducting this review in accordance with sections 751(a) of the Act. We calculated export price and constructed export price in accordance with section 772 of the Act. We calculated NV in accordance with section 773 of the Act. For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum. A list of topics included in the Preliminary Decision Memorandum is attached as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly

### Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(3), Commerce will rescind an administrative review when there are no entries of subject merchandise during the POR for which liquidation is suspended.<sup>6</sup> Normally, upon completion of an administrative review, the suspended entries are liquidated at the antidumping duty assessment rate calculated for the review period.<sup>7</sup> Therefore, for an administrative review of a company to be conducted, there must be a suspended entry that Commerce can instruct and CBP to liquidate at the AD assessment rate calculated for the POR.<sup>8</sup>

On December 21, 2023, we notified parties of our intent to rescind this administrative review, in part, with respect to: (1) Diler Dış Ticaret A.Ş. (Diler); (2) Ekinciler Demir ve Celik Sanayi A.S. (Ekinciler); and (3) Habas Sinaî ve Tibbi Gazlar Istihsal Endustrisi A.S. (Habas) because there were no suspended entries of subject merchandise produced or exported by these companies during the POR, and we invited interested parties to comment.<sup>9</sup> On January 4, 2024, Ekinciler and Diler commented on the Intent to Rescind Memorandum.<sup>10</sup> On January 11, 2024, the Rebar Trade Action Coalition, the petitioner in this proceeding, submitted rebuttal comments.<sup>11</sup> We reviewed these comments and determine that, in the absence of any suspended entries of subject merchandise from Diler, Ekinciler, and Habas during the POR, we are rescinding the administrative review for these companies, in accordance with 19 CFR 351.213(d)(3).

### Rate for Company Not Selected for Individual Examination

The Act and Commerce's regulations do not address the rate to be applied to companies not selected for individual

<sup>8</sup> See 19 CFR 351.213(d)(3).

<sup>10</sup> See Ekinciler's and Diler's Letter, "Comments on Commerce's Intent to Rescind the Review," dated January 4, 2024.

examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a market economy less-than-fair-value (LTFV) investigation, for guidance when calculating the rate for companies which were not selected for individual examination in an administrative review. Under section 735(c)(5)(A) of the Act, the all-others rate is normally an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero or *de minimis* margins, and any margins determined entirely on the basis of facts available.

We preliminarily calculated a dumping margin of zero for one of the two mandatory respondents, Icdas Celik Enerju Tersane ve Ulasim Sanayi A.S. (Icdas). Therefore, we have preliminarily assigned a dumping margin to Kaptan Demir Celik Endustrisi Ve Ticaret A.S./Kaptan Metal Dis Ticaret Ve Nakliyat A.S., the company not selected for individual examination in this review, based on the rate calculated for the other mandatory respondent, Colakoglu Metalurji A.S./ Colakoglu Dis Ticaret A.S. (collectively, Colakoglu).

### Preliminary Results of Review

We preliminarily determine the following estimated weighted-average dumping margins exist for the period July 1, 2022, through June 30, 2023:

| Exporter/producer   | Weighted-average dumping margin (percent) |
|---|---|
| Colakoglu Metalurji A.S./ Colakoglu Dis Ticaret A.S   | 1.05                                      |
| Icdas Celik Enerju Tersane ve Ulasim Sanayi A.S. ....   | 0.00                                      |
| Kaptan Demir Celik Endustrisi Ve Ticaret A.S./ Kaptan Metal Dis Ticaret Ve Nakliyat A.S. .... | 1.05                                      |

### Verification

On December 20, 2023, the petitioner requested that Commerce conduct verification of the factual information submitted by the respondents in this administrative review.<sup>12</sup> Accordingly, as provided in section 782(i)(3) of the Act, Commerce intends to verify the

<sup>12</sup> See Petitioner's Letter, "Request for Verification," dated December 20, 2023.

information relied upon in determining its final results.

### Disclosure and Public Comment

Commerce intends to disclose its calculations and analysis performed to interested parties for these preliminary results within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Interested parties may submit case briefs to Commerce no later than seven days after the date on which the last verification report is issued in this administrative review. Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than five days after the date for filing case briefs.<sup>13</sup> Interested parties who submit case briefs or rebuttal briefs in this administrative review must submit: (1) a table of contents listing each issue; and (2) a table of authorities.<sup>14</sup>

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings, we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide, at the beginning of their briefs, a public executive summary for each issue raised in their briefs.<sup>15</sup> Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).<sup>16</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS within 30 days after the date of

publication of this notice. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. Oral presentations at the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, parties will be notified of the time and date for the hearing.<sup>17</sup>

All submissions, including case and rebuttal briefs, as well as hearing requests, should be filed via ACCESS.<sup>18</sup> An electronically filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time on the established deadline.

### Assessment Rates

Upon completion of this administrative review, Commerce shall determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review. Pursuant to 19 CFR 351.212(b)(1), because both respondents reported the entered value for their U.S. sales, we calculated importer-specific *ad valorem* antidumping duty assessment rates based on the ratio of the total amount of antidumping duties calculated for the examined sales to the total entered value of those same sales. Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c), or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Commerce's "automatic assessment" practice will apply to entries of subject merchandise during the POR produced by Colakoglu or Icdas for which these companies did not know that the merchandise they sold to an intermediary (*e.g.*, a reseller, trading company, or exporter) was destined for the United States. We will instruct CBP to liquidate those entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.<sup>19</sup>

For the companies which were not selected for individual review, we intend to assign an assessment rate based on the review-specific rate, calculated as noted in the "Rate for Company Not Selected for Individual Examination" section, above. The final results of this review shall be the basis

for the assessment of antidumping duties on entries of merchandise covered by this review and for future deposits of estimated duties, where applicable.<sup>20</sup>

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

For those companies for which we are rescinding this administrative review (*i.e.*, Diler, Ekinciler, and Habas), we will instruct CBP to assess antidumping duties on all appropriate entries at a rate equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period July 1, 2022, through June 30, 2023, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue these rescission instructions to CBP no earlier than 35 days after the date of publication of this notice in the **Federal Register**.

### Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the companies listed above will be equal to the weighted-average dumping margin established in the final results of this review, except if the rate is less than 0.50 percent and, therefore *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not covered by this review, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment of this proceeding in which the company was reviewed; (3) if the exporter is not a firm covered in this review, a prior review, or the LTFV investigation, but the producer is, the cash deposit rate will be the rate established for the most recently-completed segment of this proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters

will continue to be 3.90 percent, the all-others rate established in the LTFV investigation.<sup>21</sup>

These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, no later than 120 days after the date of publication of this notice in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

### Notification to Importers

This notice also serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

### Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213 and 351.221(b)(4).
