Section 2110 of the CARES Act covers grants the Federal Government provided to states for the purpose of implementation or improved administration of an STC program or for promotional and enrollment in the program.

ETA has principal oversight responsibility for monitoring the STC grants awarded to state workforce agencies (SWA). As part of the monitoring process, SWAs submit a quarterly progress report (QPR). The QPR serves as a monitoring instrument to track the SWAs’ progress toward completing STC grant activities. ETA requires this reporting to allow for proper oversight of state STC program grants. Section 2164 of the MCTJRC Act and section 2110 of the CARES Act authorize this information collection.

This information collection is subject to the PRA. SUPPLEMENTARY INFORMATION: Section 105(a) of the Employee Retirement Income Security Act (ERISA) requires administrators of defined contribution plans and defined benefit plans to provide periodic pension benefit statements to participants and certain beneficiaries. If a defined contribution plan permits participants and beneficiaries to direct their own investments, benefit statements must be provided at least once each quarter. If the defined contribution plan does not permit participants and beneficiaries to direct their own investments, benefit statements must be provided at least once each year. In the case of defined benefit plans, benefit statements generally must be provided at least once every three years. Section 105(a)(2)(A)(i)(I) requires a benefit statement to indicate the participant's or beneficiary's “total benefits accrued.”

On December 20, 2019, ERISA section 105 was amended by section 203 of the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act). As amended, ERISA section 105 requires, in relevant part, that “a lifetime income disclosure . . . be included in only one pension benefit statement provided to participants of defined contribution plans during any one 12-month period.” A lifetime income disclosure “shall set forth the lifetime income stream equivalent of the total benefits accrued with respect to the participant or beneficiary.” A lifetime income stream equivalent means the amount of monthly payments the participant or beneficiary would receive if the total accrued benefits of such participant or beneficiary were used to provide a single life annuity and a qualified joint and survivor annuity.
