**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) determines that producers and/or exporters subject to this administrative review made sales of subject merchandise at less than normal value during the period of review (POR), January 1, 2022, through December 31, 2022.

**DATES:** Applicable August 19, 2024.

**SUPPLEMENTARY INFORMATION:**

#### **Background**

Commerce published the *Preliminary Results* on February 6, 2024.<sup>1</sup> This review covers 243 producers/exporters of subject merchandise, including two mandatory respondents, Canfor and West Fraser.<sup>2</sup> The final weighted-

average dumping margins are listed below in the “Final Results of Review” section of this notice. Commerce conducted this administrative review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). For a detailed description of the events that occurred since the *Preliminary Results*, see the Issues and Decision Memorandum.<sup>3</sup>

#### **Scope of the Order**

The product covered by this review is softwood lumber from Canada. For a full description of the scope, see the Issues and Decision Memorandum.

#### **Partial Rescission of Administrative Review**

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested a review withdraws its request within 90 days of the date of publication of the notice of initiation. The requests for an administrative review of the companies identified in Appendix III were timely withdrawn within 90 days of the publication of the initiation notice for this review.<sup>4</sup> As a result, Commerce is rescinding this review with respect to the companies in Appendix III in accordance with 19 CFR 351.213(d)(1).<sup>5</sup>

Additionally, pursuant to 19 CFR 351.213(d)(3), Commerce will rescind an administrative review when there are no entries of subject merchandise during the POR for which liquidation is suspended. Normally, upon completion of an administrative review, the suspended entries are liquidated at the antidumping duty assessment rate calculated for the review period.<sup>6</sup> Therefore, for an administrative review of a company to be conducted, there must be a suspended entry that Commerce can instruct and U.S. Customs and Border Protection (CBP) to liquidate at the antidumping duty assessment rate calculated for the POR.<sup>7</sup>

<sup>5</sup> Appendix III identifies all companies on which we have rescinded this review.

<sup>6</sup> See 19 CFR 351.212(b)(1).

<sup>7</sup> See, e.g., *Shanghai Sunbeauty Trading Co. v. United States*, 380 F. Supp. 3d 1328, 1335–36 (CIT

In the *Preliminary Results*, we notified parties of our intent to rescind this administrative review, in part, with respect to Smartlam LLC because there were no suspended entries of subject merchandise produced or exported by these companies during the POR and invited interested parties to comment. No parties commented on our intent to rescind the review, in part. In the absence of any suspended entries of subject merchandise from Smartlam LLC during the POR, or any comment on this issue, we are rescinding the administrative review for Smartlam LLC, in accordance with 19 CFR 351.213(d)(3).<sup>8</sup>

#### **Analysis of Comments Received**

All issues raised in the case briefs filed in this administrative review are addressed in the Issues and Decision Memorandum. A list of the topics discussed in the Issues and Decision Memorandum is included in Appendix I of this notice. The Issues and Decision Memorandum is a public document and is available electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Services System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum is also accessible on the internet at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

#### **Changes Since the Preliminary Results**

Based on our review of the record and comments received from interested parties, we rescinded this review with regard to 66 companies for which all review requests were withdrawn, and have rescinded the review of Smartlam LLC, as we stated was our intent in the *Preliminary Results*. In addition, we revised the names of certain

2019), at 12 (referring to section 751(a) of the Act, the U.S. Court of International Trade held that: “While the statute does not explicitly require that an entry be suspended as a prerequisite for establishing entitlement to a review, it does explicitly state the determined rate will be used as the liquidation rate for the reviewed entries. This result can only obtain if the liquidation of entries has been suspended . . .”; see also *Certain Frozen Fish Fillets from the Socialist Republic of Vietnam: Final Results of Antidumping Duty Administrative Review and Final Determination of No Shipments; 2018–2019*, 86 FR 36102, and accompanying Issues and Decision Memorandum at Comment 4; and *Solid Fertilizer Grade Ammonium Nitrate from the Russian Federation: Notice of Rescission of Antidumping Duty Administrative Review*, 77 FR 65532 (October 29, 2012) (noting that “for an administrative review to be conducted, there must be a reviewable, suspended entry to be liquidated at the newly calculated assessment rate”).

<sup>8</sup> Appendix III identifies all companies on which we have rescinded this review.

respondents as identified in the *Preliminary Results*, and made certain changes to the dumping margin calculations for Canfor and West Fraser. For a discussion of these changes, see the Issues and Decision Memorandum.

**Rate for Non-Selected Companies**

Generally, when calculating margins for non-selected respondents, Commerce looks to section 735(c)(5) of the Act for guidance, which provides instructions for calculating the all-others rate in an investigation. Section 735(c)(5)(A) of the Act provides that when calculating the all-others rate, Commerce will exclude any zero and *de*

*minimis* weighted-average dumping margins, as well as any weighted-average dumping margins based on total facts available. Accordingly, Commerce’s usual practice has been to average the margins for selected respondents, excluding margins that are zero, *de minimis*, or based entirely on facts available.

In this review, we calculated a weighted-average dumping margin of 10.44 percent for Canfor and 5.32 percent for West Fraser. In accordance with section 735(c)(5)(A) of the Act, Commerce assigned the weighted-average of these two calculated

weighted-average dumping margins to the non-selected companies in these final results, based on their publicly ranged sales data.<sup>9</sup> Accordingly, we have applied a rate of 7.80 percent to the non-selected companies.<sup>10</sup> A list of all non-selected companies is included in Appendix II.

**Final Results of Review**

As a result of this administrative review, we are assigning the following weighted-average dumping margins to the manufacturers/exporters listed below for the POR, January 1, 2022, through December 31, 2022:

Exporter/producer	Weighted-average dumping margin (percent)
Canfor Corporation/Canadian Forest Products Ltd./Canfor Wood Products Marketing Ltd./Canfor Fox Creek Ltd./Canfor Whitecourt Ltd. ....	10.44
West Fraser Mills Ltd./Blue Ridge Lumber Inc./Manning Forest Products Ltd./Sundre Forest Products Inc. ....	5.32
Non-Selected Companies <sup>11</sup> .....	7.80

**Assessment Rates**

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(1), Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review.

We intend to calculate importer- (or customer-) specific assessment rates on the basis of the ratio of the total amount of antidumping duties calculated for each importer’s (or customer’s) examined sales and the total entered value of the sales in accordance with 19 CFR 351.212(b)(1). Where an importer- (or customer-) specific rate is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Commerce’s “reseller policy” will apply to entries of subject merchandise during the POR produced by companies included in these final results of review for which the reviewed companies did not know that the merchandise they sold to the intermediary (*e.g.*, a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the

intermediate company(ies) involved in the transaction.<sup>12</sup>

The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise under review and for future cash deposits of estimated duties, where applicable. Commerce intends to issue assessment instructions to CBP no earlier than 41 days after the date of publication of the final results of this review in the **Federal Register**, in accordance with 19 CFR 356.8(a).

**Cash Deposit Requirements**

The following cash deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of these final results, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the companies under review will be equal to the weighted-average dumping margin listed above in the “Final Results of Review” section; (2) for merchandise exported by producers or exporters not covered in this review but covered in a previously completed segment of this proceeding, the cash deposit rate will continue to be the company-specific rate published in the final results for the most recent period in which that producer or exporter

participated; (3) if the exporter is not a firm covered in this review or in any previous segment of this proceeding, but the producer is, then the cash deposit rate will be that established for the producer of the merchandise in these final results of review or in the final results for the most recent period in which that producer participated; and (4) if neither the exporter nor the producer is a firm covered in this review or in any previously completed segment of this proceeding, then the cash deposit rate will be 6.04 percent *ad valorem*, the all-others rate established in the less than fair value investigation.<sup>13</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

**Notification to Importers**

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of doubled antidumping duties, and/or an increase in the amount

of antidumping duties by the amount of countervailing duties.

### Administrative Protective Order

This notice is the only reminder to parties subject to the administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under the APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a violation subject to sanction.

### Notification to Interested Parties

We are issuing and publishing these final results and this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(h).

<sup>19</sup>“dba” has been removed from the name Hampton Tree Farms, LLC (dba Hampton Lumber Sales Canada) referred to in the *Preliminary Results* at the request of CBP. See Issues and Decision Memorandum at Comment 10.

<sup>20</sup>In *Softwood Lumber from Canada AR4*, we determined that it was appropriate to treat Interfor Corporation and Interfor Sales & Marketing Ltd. as one entity. See *Certain Softwood Lumber Products from Canada: Final Results of Antidumping Duty Administrative Review and Final Determination of No Shipments; 2021*, 88 FR 50106 (August 1, 2023) (*Softwood Lumber from Canada AR4*), at Appendix II. Thus, we have removed from the ACE module case number for Interfor Sales & Marketing Ltd. (A-122-857-299) and have instructed CBP to enter all entries for Interfor Corporation and Interfor Sales & Marketing Ltd. under the ACE module case number

for Interfor Corporation and Interfor Sales & Marketing Ltd. (A-122-857-118)

<sup>21</sup>The ACE module contains separate case numbers for T.G. Wood Products Ltd. (A-122-857-220) and TG Wood Products (A-122-857-360), which was caused by data entry errors and we have never treated T.G. Wood Products and TG Wood Products as separate companies; rather we named T.G. Wood Products Ltd. as the sole respondent in the first and second administrative reviews of this proceeding and TG Wood Products. See *Certain Softwood Lumber Products from Canada: Final Results of Antidumping Duty Administrative Review; 2017-2018*, 85 FR 76519 (November 30, 2020); *Certain Softwood Lumber Products from Canada: Final Results of Antidumping Duty Administrative Review; 2019*, 86 FR 68471 (December 2, 2021); and *Softwood Lumber from Canada AR4*. We have removed TG Wood Products (A-122-857-360) from the module and instructed CBP to enter all entries under the case number A-122-857-220.

#### SUPPLEMENTARY INFORMATION:

##### Background

On July 5, 2024, Commerce published in the **Federal Register** notice of the final results of the 2021–2022 administrative review of the AD order on solar cells from China.<sup>1</sup> In that notice, Commerce incorrectly identified the companies which it found were not entitled to a separate rate. Commerce preliminarily found that only four companies did not qualify for a separate rate.<sup>2</sup> Commerce did not change that determination in the final results of the review. Yet, in the final results of review **Federal Register** notice, Commerce inadvertently stated that: {i}n the *Preliminary Results*, Commerce found that 35 companies for which a review was initiated did not establish their eligibility for a separate rate. No parties contested this finding (see discussion regarding the Yingli single entity below). As such, we continue to determine these 35 companies identified in Appendix III are part of the China-wide entity.<sup>3</sup>

In the *Preliminary Results*, Commerce did not determine that the 31 companies that it incorrectly added to Appendix III
