SUPPLEMENTARY INFORMATION:

Background

On April 23, 2024, the U.S. Department of Commerce (Commerce) initiated less-than-fair-value (LTFV) investigations of imports of 2,4-Dichlorophenoxyacetic Acid (2,4-D) from India and China.¹ On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.² The deadline for these preliminary determinations is now September 17, 2024.

Postponement of Preliminary Determinations

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in a LTFV investigation within 140 days after the date on which Commerce initiated the investigation. However, section 733(c)(1)(A)(b)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 190 days after the date on which Commerce initiated the investigation if: (A) the petitioner³ makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On August 7, 2024, the petitioner submitted a timely request that Commerce postpone the preliminary determinations in these LTFV investigations.⁴ The petitioners stated that it requests postponement "because

{these} investigation{s} involve{ } complex and novel issues, which require additional time to investigate completely."⁵

For the reason stated above and because there are no compelling reasons to deny the request, Commerce, in accordance with section 733(c)(1)(A) of the Act, is postponing the deadline for the preliminary determinations by 50 days (*i.e.*, 190 days after the date on which these investigations were initiated). As a result, Commerce will issue its preliminary determinations no later than November 6, 2024.⁶ In accordance with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determinations of these investigations will continue to be 75 days after the date of the preliminary determinations, unless postponed at a later date.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).
