

revised cash deposit instructions to U.S. Customs and Border Protection (CBP). This notice will not affect the current cash deposit rate for Yama.

Liquidation of Suspended Entries

At this time, Commerce remains enjoined by CIT order from liquidating entries that: were produced and/or exported by Yama that were the subject of Commerce's *Final Results*, and that were entered, or withdrawn from warehouse, for consumption, during the period January 1, 2017, through December 31, 2017. These entries will remain enjoined pursuant to the terms of the injunction during the pendency of any appeals process.

In the event the CIT's ruling is not appealed, or, if appealed, upheld by a final and conclusive court decision, Commerce intends to instruct CBP to assess countervailing duties on unliquidated entries of subject merchandise produced and/or exported by Yama in accordance with 19 CFR 351.212(b). We will instruct CBP to assess countervailing duties on all appropriate entries covered by this review when the *ad valorem* rate is not zero or *de minimis*. Where an *ad valorem* subsidy rate is zero or *de minimis*,¹² we will instruct CBP to liquidate the appropriate entries without regard to countervailing duties.

Notification to Interested Parties

This notice is issued and published in accordance with sections 516A(c) and (e) and 777(i)(1) of the Act.

Dated: August 13, 2024.

Ryan Majerus,

Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

2,4-Dichlorophenoxyacetic Acid From India and the People's Republic of China: Postponement of Preliminary Determinations in the Less-Than-Fair-Value Investigations

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable August 20, 2024.

FOR FURTHER INFORMATION CONTACT: Grant Fuller at (202) 482-6228 (India);

Anjali Mehindiratta at (202) 482-9127 (the People's Republic of China (China)), AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On April 23, 2024, the U.S. Department of Commerce (Commerce) initiated less-than-fair-value (LTFV) investigations of imports of 2,4-Dichlorophenoxyacetic Acid (2,4-D) from India and China.¹ On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.² The deadline for these preliminary determinations is now September 17, 2024.

Postponement of Preliminary Determinations

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in a LTFV investigation within 140 days after the date on which Commerce initiated the investigation. However, section 733(c)(1)(A)(b)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 190 days after the date on which Commerce initiated the investigation if: (A) the petitioner³ makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On August 7, 2024, the petitioner submitted a timely request that Commerce postpone the preliminary determinations in these LTFV investigations.⁴ The petitioners stated that it requests postponement "because

¹ See *2,4-Dichlorophenoxyacetic Acid from the People's Republic of China and India: Initiation of Less-Than-Fair-Value Investigations*, 89 FR 34200 (April 30, 2024) (*Initiation Notice*).

² See Memorandum, "Tolling of Deadlines for Antidumping and Countervailing Duty Proceedings," dated July 22, 2024.

³ The petitioner is Corteva Agriscience LLC.

⁴ See Petitioner's Letter, "Request for Postponement of Preliminary Determination," dated August 7, 2024.

{these} investigation{s} involve{ } complex and novel issues, which require additional time to investigate completely."⁵

For the reason stated above and because there are no compelling reasons to deny the request, Commerce, in accordance with section 733(c)(1)(A) of the Act, is postponing the deadline for the preliminary determinations by 50 days (*i.e.*, 190 days after the date on which these investigations were initiated). As a result, Commerce will issue its preliminary determinations no later than November 6, 2024.⁶ In accordance with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determinations of these investigations will continue to be 75 days after the date of the preliminary determinations, unless postponed at a later date.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: August 13, 2024.

Ryan Majerus,

Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

DEPARTMENT OF COMMERCE

National Institute of Standards and Technology

National Artificial Intelligence Advisory Committee

AGENCY: National Institute of Standards and Technology, Department of Commerce.

ACTION: Notice of Open Meeting.

SUMMARY: The National Institute of Standards and Technology (NIST) announces that the National Artificial Intelligence Advisory Committee (NAIAC or Committee) will hold a virtual meeting with briefing sessions. This meeting will be held via web conference on Wednesday, September 4, 2024, from 2:00 p.m.–5:00 p.m. Eastern Time. The primary purpose of this meeting is for NAIAC to receive a briefing by outside panelists on AI in the workforce and a separate briefing from the Law Enforcement Subcommittee on topics related to AI in law enforcement specific to facial recognition technology. The final agenda will be posted on the NIST

⁵ *Id.* at 1–2.

⁶ This deadline has been tolled by seven days. See footnote 2, *supra*.

¹² See 19 CFR 351.106(c)(2).

website at <https://www.nist.gov/itl/national-artificial-intelligence-advisory-committee-naiac>.

DATES: The NAIAC will meet on Wednesday, September 4, 2024, from 2:00 p.m.–5:00 p.m. Eastern Time.

ADDRESSES: The meeting will be held via webinar. Please note participation instructions under the **SUPPLEMENTARY INFORMATION** section of this notice.

FOR FURTHER INFORMATION CONTACT: Cheryl L. Gendron, Designated Federal Officer, Information Technology Laboratory, National Institute of Standards and Technology, Telephone: (301) 975–2785, Email address: cheryl.gendron@nist.gov. Please direct any inquiries to the committee at naiac@nist.gov.

SUPPLEMENTARY INFORMATION: Pursuant to the Federal Advisory Committee Act, as amended, 5 U.S.C. 1001 *et seq.*, notice is hereby given that the NAIAC will meet virtually as set forth in the **DATES** section of this notice. The meeting will be open to the public.

The NAIAC is authorized by Section 5104 of the National Artificial Intelligence Initiative Act of 2020 (Pub. L. 116–283), in accordance with the provisions of the Federal Advisory Committee Act, as amended (FACA), 5 U.S.C. 1001 *et seq.* The Committee advises the President and the National Artificial Intelligence Initiative Office on matters related to the National Artificial Intelligence Initiative. Additional information on the NAIAC is available at ai.gov/naiac/.

The primary purpose of this meeting is for NAIAC to receive a briefing by outside panelists on AI in the workforce and a separate briefing from the Law Enforcement Subcommittee on topics related to AI in law enforcement specific to facial recognition technology. The final agenda will be posted on the NIST website at <https://www.nist.gov/itl/national-artificial-intelligence-advisory-committee-naiac>.

Workforce Briefing: The Workforce Working Group of the NAIAC will host part two of a panel that discusses AI and Just Transitions for American Workers, continuing the discussions from the August 1, 2024, briefing. Invited speakers will explore how the nation can take innovative worker-first approaches to help people enjoy lifelong career success. Ensuring that workers have job experiences that are dignified, career-enhancing, and allow for job mobility is not only an imperative for worker and community wellbeing; it ensures a stronger and more competitive U.S. economy. The panel will explore encouraging a pragmatic, multi-disciplinary, and multi-stakeholder

approach to the problem. The invited guests represent organizations, experts, workers, and employers interested in offering a range of perspectives and ideas supporting worker success in an increasingly AI-influenced workforce and economy.

Law Enforcement Use of Facial Recognition Technology Briefing: The Law Enforcement Subcommittee of the NAIAC (NAIAC LE) will brief the NAIAC on AI in law enforcement specific to facial recognition technology. Law enforcement and agencies often need to identify individuals for a wide variety of reasons. Video and photographic evidence obtained from surveillance footage, bystanders, social media, and other sources may provide crucial evidence about potential suspects, victims, witnesses, or community members in distress. Facial recognition technologies (FRTs) can allow law enforcement officers to identify these individuals with greater frequency, speed, and accuracy. Therein lies both the potential and the risk of facial recognition technology. Unrestrained use of FRTs could bring more people unwillingly or unwittingly into the scope of law enforcement investigations, and the system could be misused in a manner that violates constitutional rights or community norms. To prepare for the public briefing and meeting on September 4th, the NAIAC invites public comment on the discussion draft, titled ‘Discussing a Framework for the Responsible Use of Facial Recognition Technology in Law Enforcement.’ This document will be available via a link on the published agenda before the meeting. This discussion is intended to inform future recommendations from the NAIAC LE to the full NAIAC committee concerning the limited and responsible use of FRTs.

Additional information, including the speaker names, will be available on the agenda and posted online. Members of the public interested in reviewing the agenda in advance and viewing the sessions are encouraged to visit <https://www.nist.gov/itl/national-artificial-intelligence-advisory-committee-naiac> for session details and to register to watch virtually. The agenda items may change to accommodate NAIAC business. The final agenda will be posted on the NIST website at <https://www.nist.gov/itl/national-artificial-intelligence-advisory-committee-naiac>.

Comments: Individuals and representatives of organizations who would like to offer comments and suggestions related to items on the Committee’s agenda for this meeting are invited to submit comments in advance of the event. Please note that all

comments submitted via email will be treated as public documents and will be made available for public inspection. For consideration prior to this meeting, all comments must be submitted via email with the subject line “September 4, 2024, NAIAC Public Meeting” to naiac@nist.gov by 5 p.m. Eastern Time, August 23, 2024. NIST will not accept comments accompanied by a request that part or all of the comment be treated confidentially because of its business proprietary nature or for any other reason. Therefore, do not submit confidential business information or otherwise sensitive, protected, or personal information, such as account numbers, Social Security numbers, or names of other individuals. Members of the public may also submit written comments to the NAIAC at any time.

Virtual Meeting Registration Instructions: The meeting will be broadcast via web conference. Requests for special accommodations may be made by emailing cheryl.gendron@nist.gov. Registration is required to view the web conference. Instructions on how to register will be made available at <https://www.nist.gov/itl/national-artificial-intelligence-advisory-committee-naiac>. Registration will remain open until the conclusion of the meeting.

Tamiko Ford,

NIST Executive Secretariat.
