

adhere to the Principles of Excellence as outlined in the Executive Order. The VA's Principles of Excellence GI Bill® School Feedback Tool leverages the Salesforce platform to collect and manage complaints. The complainants access the complaint system through the GI Bill website and eBenefits portal. Veterans, family members, or other members of the public are able to open links at the VA website location and enter the requested information. Complainants are offered the opportunity to review the information in their complaint prior to clicking on the submit button. Once a complaint is submitted, the complainant receives an email verifying that the complaint was received.

At this point, the complaint is stored in the complaint system and is available to select VA employees for review. VA reviews the complaint, and on behalf of the complainant, shares the complaint with the institution which is subject of the complaint. VA requests the institution to formally respond to the complaint within 90 days. If an institution fails to respond within 90 days, VA will contact the institution and request a status update.

Once VA receives a response from the institution, VA will forward the response to the complainant. At this point, VA will close the case. Valid complaints received are transmitted to the central repository at FTC Consumer Sentinel. The information in the central repository is the same information provided by the complainant.

Authorized law enforcement officials who have been granted access to the FTC Consumer Sentinel database have access to view all complaints. The respondent submits a complaint about an educational institution online through either the GI Bill website or the eBenefit portal. The information gathered can only be obtained from the individual respondents. Valid complaints will be accepted from third parties. The Feedback Tool process for VA's complaint system data elements include:

Institution/Employer: There are over 36,000 educational institutions that are approved for VA education benefits.

Anonymous Complaints: The Feedback Tool Complaint System allows for a user to file anonymous

complaints. Based on working group discussions with CFPB and FTC, VA believes that allowing anonymous complaints will garner more ground truth on what is happening with Veterans using their education benefits at different schools.

Required fields: As a result of allowing anonymous complaints, many of the fields will not be required by VA.
