

16(a) and the price protections in Options 3, Section 16(c), namely the Complex Order Price Protection, Size Limitation and Price Level Protection. Finally, the Exchange's proposal informs Members that the strategy protections would not apply in those cases where the Member elected to utilize a combination of A.M.-Settled and P.M.-Settled leg expirations in the Complex Order.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

The Exchange's proposal does not impose an undue burden on intra-market competition because the proposed changes are going to apply equally to all Members. The Exchange's proposal does not impose an undue burden on inter-market competition as other exchanges that utilize third-Friday-of-the-month P.M.-Settled Options could also adopt a similar rule.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act¹⁸ and subparagraph (f)(6) of Rule 19b-4 thereunder.¹⁹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the

Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
