SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501–3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires federal agencies to publish a 30-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment:

1. *Type of Information Collection Request:* Reinstatement without change of a previously approved collection; *Titles of Information Collection:* ASC Forms for Medicare Program Certification; *Use:* The form CMS–370 titled "Health Insurance Benefits Agreement" is used for the purpose of establishing an ASC's eligibility for payment under Title XVIII of the Social Security Act (the "Act"). This agreement, upon acceptance by the Secretary of Health & Human Services, shall be binding on the ASC and the Secretary. The agreement may be terminated by either party in accordance with regulations. In the event of termination of this agreement, payment will not be available for the ASC's services furnished to Medicare beneficiaries on or after the effective date of termination.

The CMS–377 form is used by ASCs to initiate both the initial and renewal survey by the State Survey Agency, which provides the certification required for an ASC to participate in the Medicare program. An ASC must complete the CMS–377 form and send it to the appropriate State Survey Agency prior to their scheduled accreditation renewal date. The CMS–377 form provides the State Survey Agency with information about the ASC facility's characteristics, such as, determining the size and the composition of the survey team on the basis of the number of ORs/procedure rooms and the types of surgical procedures performed in the ASC. *Form Numbers:* CMS–370 and CMS–377 (OMB control number: 0938–0266); *Frequency:* Occasionally; *Affected Public:* Private Sector—Business or other for-profit and Not-for-profit institutions; *Number of Respondents:* 1,711; *Total Annual Responses:* 1,711; *Total Annual Hours:* 1,559. (For policy questions regarding this collection contact Caroline Gallaher at 410–786–8705.)
