The subject ID finds that the joint motion is supported by good cause pursuant to Commission Rule 210.14(b) (19 CFR 210.14(b)) and that there is no prejudice to any party if the motion is granted. The Commission notes that the motion also states, pursuant to Commission Rule 210.21(a) (19 CFR 210.21(a)), that there are no other agreements, written or oral, express or implied between the parties concerning the subject matter of this Investigation.
