SUPPLEMENTARY INFORMATION: On July 31, 2024, NHTSA issued a Supplemental Initial Decision That Certain Frontal Driver and Passenger Air Bag Inflators Manufactured by ARC Automotive Inc. and Delphi Automotive Systems LLC, and Vehicles in Which Those Inflators Were Installed, Contain a Safety Defect pursuant to 49 U.S.C. 30118(a) and 49 CFR 554.10. 89 FR 63473 (Aug. 5, 2024). More specifically, NHTSA confirmed its initial decision of September 5, 2023, at 88 FR 62140, that certain air bag inflators manufactured by ARC Automotive Inc. (ARC) and Delphi Automotive Systems LLC (Delphi) may rupture when the vehicle's air bag is commanded to deploy, causing metal debris to be forcefully ejected into the passenger compartment of the vehicle, and that these rupturing air bag inflators pose an unreasonable risk of serious injury or death to vehicle occupants. In accordance with 49 U.S.C. 30118(b)(1) and 49 CFR 554.10(c)(4), the Supplemental Initial Decision provided manufacturers and any interested

person an opportunity to present information, views, and arguments in response to the Supplemental Initial Decision by submitting written information to the Agency. The deadline for written submissions in response to the Supplemental Initial Decision was September 4, 2024.

Written Submission Deadline Extension Request

On August 7, 2024, NHTSA received a request from counsel representing certain unspecified motor vehicle and motor vehicle equipment manufacturers asking NHTSA to extend the period for written submissions by 30 days. The request claimed that, to meaningfully respond, the manufacturers needed more time to adequately review the Supplemental Initial Decision and related materials and prepare their analyses. A copy of the extension request and NHTSA's response will be added to the public docket.

Extension of Written Submission Deadline

After consideration of the request, NHTSA has granted the requested 30-day extension of the deadline to provide written submissions. The prior deadline of September 4, 2024 has been extended, and written submissions from any interested person are now due before the close of business on October 4, 2024.
