SURFACE TRANSPORTATION BOARD

[Docket Nos. FD 36798; and AB 284 (Sub-
 No. 5X)]

**Waterloo Railroad, LLC—Change of
 Operator Exemption With Interchange
 Commitment—Union Pacific Railroad
 Company; and Iowa Northern Railway
 Company—Discontinuance of Service
 Exemption—in Black Hawk County,
 Iowa**

On July 25, 2024, in Docket No. FD 36798, Waterloo Railroad, LLC (WTRL), filed a verified notice for a change in operator exemption. Under this exemption, WTRL would lease and operate approximately 6.9 miles of rail line owned by Union Pacific Railroad Company (UP), between milepost 325.1 and milepost 332.0, along with connecting ancillary trackage (yard and side tracks), in Black Hawk County, Iowa (the Line). In doing so, WTRL would replace the Line's current lessee and operator, Iowa Northern Railway Company (IANR). On August 7, 2024, in Docket No. AB 284 (Sub-No. 5X), IANR filed a petition for exemption to discontinue its operations on the Line.¹

As discussed below, WTRL's notice of exemption will be issued, and IANR's petition for exemption will be denied as moot.

*WTRL's Notice of Exemption, Docket
 No. FD 36798*

Under 49 CFR 1011.7(a)(2)(x)(A), the Director of the Office of Proceedings (Director) is delegated the authority to

determine whether to issue notices of exemption under 49 U.S.C. 10502 for lease and operation transactions under 49 U.S.C. 10901. However, the Board reserves to itself the consideration and disposition of all matters involving issues of general transportation importance. 49 CFR 1011.2(a)(6). Accordingly, the Board will revoke the delegation to the Director with respect to issuance of the pending notice of exemption for a change in operator on the Line. The Board determines that this notice of exemption should be issued and does so here.

Notice

WTRL, a noncarrier, has filed a verified notice of exemption pursuant to 49 CFR 1150.31 to lease and operate approximately 6.9 miles of rail line owned by UP, between milepost 325.1 and milepost 332.0, along with connecting ancillary trackage (yard and side tracks), in Black Hawk County, Iowa. The Line, known as the Waterloo Industrial Line, is currently operated by IANR, pursuant to a lease with UP. *See Iowa N. Ry.—Lease Exemption with Interchange Commitment—Rail Line of Union Pac. R.R.*, FD 36277 (STB served March 20, 2019).

According to the verified notice, WTRL will replace IANR as the operator of the Line. Upon WTRL's assumption of operations, IANR will have no common carrier obligation on the Line.

Although IANR stated in its July 26 Reply that it “could not consent to the change in operator filing,” (IANR Reply 1, July 26, 2024, FD 36798; *see also* IANR Pet. 6, Aug. 7, 2024, AB 284 (Sub-No. 5X); IANR Reply 2, Aug. 14, 2024, FD 36798), IANR subsequently filed a petition in Docket No. AB 284 (Sub-No. 5X), itself seeking Board authorization to discontinue its operations on the Line. Prior to that submission, IANR acknowledged termination of its lease with UP and stated it is working “cooperatively and expeditiously” with WTRL and UP to coordinate the transfer

of operations to WTRL. (*See* IANR Reply 1, July 26, 2024, FD 36798; IANR Reply 2, July 31, 2024, FD 36798.) While IANR states that the “steps necessary for a smooth transition of operations have not been completed,” (IANR Pet. 6, Aug. 7, 2024, AB 284 (Sub-No. 5X)), it offers no support for this assertion nor any indication as to what such steps entail. Nor does IANR, in requesting expedited consideration of its petition, indicate that the standard 14-day period between publication of a change in operator notice and its effectiveness,² which the Board will apply here, would be insufficient.

This transaction is related to a concurrently filed verified notice of exemption in *OPSEU Pension Plan Trust Fund, Jaguar Transport Holdings, LLC, and Jaguar Rail Holdings, LLC—Continuance in Control Exemption—Waterloo Railroad, LLC*, Docket No. FD 36797, in which OPSEU Pension Plan Trust Fund, Jaguar Transport Holdings, LLC, and Jaguar Rail Holdings, LLC, seek to continue in control of WTRL upon WTRL's becoming a Class III rail carrier.

WTRL certifies that the draft lease agreement between WTRL and UP contains an interchange commitment that affects interchange with third-party connecting carriers.³ WTRL has provided additional information regarding the interchange commitment as required by 49 CFR 1150.33(h).

WTRL certifies that its projected annual revenues as a result of this transaction will not result in it becoming a Class II or Class I rail carrier and that its projected annual revenues will not exceed \$5 million.

Under 49 CFR 1150.32(b), a change of operator requires that notice be given to shippers. The verified notice indicates

² *See* 49 CFR 1150.32(b).

³ A copy of the draft lease agreement was submitted under seal with the verified notice. *See* 49 CFR 1150.33(h)(1). WTRL states that it will submit a copy of the executed agreement when it is fully executed.
