#### Certain Corrosion-Resistant Steel Products From Taiwan: Preliminary Results and Rescission, In Part, of Antidumping Duty Administrative Review; 2022-2023

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) preliminarily determines that certain corrosion-resistant steel products (CORE) from Taiwan are being sold in the United States at below normal value during the period of review (POR), July 1, 2022, through June 30, 2023. We invite interested parties to comment on these preliminary results.

**DATES:** Applicable September 4, 2024.

**FOR FURTHER INFORMATION CONTACT:** Deborah Cohen or Anjali Mehindiratta, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4521 or (202) 482-9127, respectively.

**SUPPLEMENTARY INFORMATION:**

## Background

On July 25, 2016, Commerce published the antidumping duty order on CORE from Taiwan in the **Federal Register**.<sup>1</sup> On July 3, 2023, we published in the **Federal Register** a notice of opportunity to request an administrative review of the *Order*.<sup>2</sup> On September 11, 2023, pursuant to section 751(a)(1) of the Tariff Act of 1930, as amended (the Act), Commerce initiated an administrative review of the *Order* covering nine entities.<sup>3</sup> On March 12, 2024, Commerce extended the deadline for the preliminary results until July 30, 2024.<sup>4</sup> On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.<sup>5</sup> The deadline for these preliminary results is now August 6, 2024.

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.<sup>6</sup> A list of topics

<sup>1</sup> See *Certain Corrosion-Resistant Steel Products from India, Italy, the People's Republic of China, the Republic of Korea and Taiwan: Amended Final Affirmative Antidumping Determination for India and Taiwan, and Antidumping Duty Orders*, 81 FR 48390 (July 25, 2016) (*Order*).

<sup>2</sup> See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review and Join Annual Inquiry Service List*, 88 FR 42693 (July 3, 2023).

<sup>3</sup> See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 88 FR 62322 (September 11, 2023) (*Initiation Notice*). The *Initiation Notice* identified 10 firms, including Yieh Phui Enterprise Co., Ltd. (Yieh Phui). However, pursuant to the U.S. Court of International Trade's final judgment pertaining to the less-than-fair value (LTFV) investigation of this proceeding, Yieh Phui was excluded from the *Order*. See *Prosperity Tieh Enterprise Co., Ltd. and Yieh Phui Enterprise Co., Ltd. v. United States*, Consol. Court No. 16–00138, Slip Op. 23–95 (CIT 2023) (sustaining Commerce's second remand redetermination for the less-than-fair-value investigation of CORE from Taiwan); see also *Corrosion-Resistant Steel Products from Taiwan: Notice of Third Amended Final Determination of Sales at Less Than Fair Value Pursuant to Court Decision and Partial Exclusion from Antidumping Duty Order*, 88 FR 58245 (August 25, 2023), corrected by *Corrosion-Resistant Steel Products from Taiwan: Notice of Third Amended Final Determination of Sales at Less than Fair Value Pursuant to Court Decision and Partial Exclusion from Antidumping Duty Order; Correction*, 88 FR 65153 (September 21, 2023) (collectively, *Third Amended Final Determination*). Accordingly, a subsequent **Federal Register** notice corrected the *Initiation Notice* applicable to the instant review to clarify that Commerce is not conducting an administrative review of Yieh Phui for the July 1, 2022, through June 30, 2023 POR. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

## Scope of the Order

The products covered by this *Order* are certain flat-rolled steel products, either clad, plated, or coated with corrosion-resistant metals such as zinc, aluminum, or zinc-, aluminum-, nickel- or iron-based alloys, whether or not corrugated or painted, varnished, laminated, or coated with plastics or other non-metallic substances in addition to the metallic coating. A full description of the scope of the *Order* is contained in the Preliminary Decision Memorandum.

## Rescission of Review, In Part

As noted above, we initiated this review with respect to nine companies.<sup>7</sup> During the course of the review, we selected two mandatory respondents, which included two of the named companies: Prosperity Tieh Enterprises Co., Ltd. (Prosperity); and Sheng Yu Steel Co. (SYSCO).<sup>8</sup> As a consequence, there are seven companies upon which review was requested and which were not selected for individual examination.

Pursuant to 19 CFR 351.213(d)(3), Commerce will rescind an administrative review when there are no reviewable suspended entries. Based on our analysis of U.S. Customs and Border Protection (CBP) information, six companies listed in the *Initiation Notice* had no entries of subject merchandise during the POR: (1) China Steel Corporation; (2) Chung Hung Steel Corporation; (3) Great Fortune Steel Co., Ltd.; (4) Great Grandeul Steel Co., Ltd.; (5) Great Grandeul Steel Corporation; and (6) Xxentria Technology Materials Company Ltd. On May 6, 2024, we notified parties of our intent to rescind this administrative review with respect

Review of the Antidumping Duty Order for Corrosion-Resistant Steel Products from Taiwan; 2022–2023,” dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

<sup>7</sup> See *Initiation Notice*, as corrected by *Corrected Initiation Notice*, 88 FR at 84787.

<sup>8</sup> See Memorandum, “Respondent Selection,” dated October 17, 2023.

to the six companies that had no reviewable suspended entries during the POR.<sup>9</sup> No party to the proceeding provided comments on our Intent to Rescind Memorandum. As a result, we are rescinding this review, in part, with respect to the six entities listed above which had no entries in the POR.

## Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Act. Export price was calculated in accordance with section 772 of the Act. Normal value was calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

## Rate for Non-Examined Company

The Act and Commerce's regulations do not directly address the establishment of a rate to be applied to individual companies not selected for examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a market economy investigation, for guidance when calculating the rate for companies which were not selected for individual review in an administrative review. Under section 735(c)(5)(A) of the Act, the all-others rate is normally “an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero or *de minimis* margins, and any margins determined entirely {on the basis of facts available}.”

In this administrative review, we preliminarily calculated a dumping margin of zero percent for SYSCO. We preliminarily calculated a dumping margin of 1.63 percent for Prosperity. Thus, we preliminarily assigned to the non-selected company, Great Grandeul Steel Company Limited (Samoa),<sup>10</sup> a weighted-average dumping margin of 1.63 percent, based on the rate calculated for Prosperity, the only rate that is not zero, *de minimis*, or based entirely on facts otherwise available.

<sup>9</sup> See Memorandum, “Notice of Intent to Rescind Review, In Part,” dated May 6, 2024 (Intent to Rescind Memorandum).

<sup>10</sup> We note that Great Grandeul Steel Company Limited (Samoa) was spelled incorrectly as Great Grandeul Steel Company Limited (Somoa) in the *Initiation Notice*. See *Initiation Notice*, 88 FR at 62328.

### Preliminary Results of Review

As a result of this review, we preliminarily determine the following estimated weighted-average dumping margins exist for the period July 1, 2022, through June 30, 2023:

Producer/exporter	Weighted-average dumping margin (percent)
Prosperity Tieh Enterprises Co., Ltd .....	1.63
Sheng Yu Steel Co .....	0.00
Great Grandeul Steel Company Limited (Samoa) .....	1.63

### Disclosure

Commerce intends to disclose the calculations performed in connection with these preliminary results to interested parties within five days after the date of publication of this notice, or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).<sup>11</sup>

### Public Comment

Interested parties may submit case briefs no later than 30 days after the date of publication of this notice.<sup>12</sup> Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than five days after the date for filing case briefs.<sup>13</sup> Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.<sup>14</sup>

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their briefs that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.<sup>15</sup> Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the

basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).<sup>16</sup>

Interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, filed electronically via ACCESS by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice.<sup>17</sup> Requests should contain the party's name, address, and telephone number, the number of participants, and a list of the issues to be discussed. Issues raised in the hearing will be limited to those raised in the case and rebuttal briefs. If a request for a hearing is made, we will inform parties of the scheduled date for the hearing at a time and location to be determined.<sup>18</sup> Parties should confirm by telephone the date, time, and location of the hearing no fewer than two days before the scheduled date.

Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), Commerce will issue the final results of this administrative review, including the results of our analysis of the issues raised by the parties in their case briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act.

### Assessment Rates

Upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by this review and for future deposits of estimated duties, where applicable.<sup>19</sup> Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a

statutory injunction has expired (*i.e.*, within 90 days of publication).

If the respective weighted-average dumping margins are above *de minimis* (*i.e.*, 0.50 percent) in the final results of this review, we will calculate importer-specific *ad valorem* antidumping duty assessment rates based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1).<sup>20</sup> If the respondent has not reported entered values, we will calculate a per-unit assessment rate for each importer by dividing the total amount of dumping calculated for the examined sales made to that importer by the total quantity associated with those sales. We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is above *de minimis* (*i.e.*, 0.50 percent). Where either the respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by the respondents for which they did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate entries not reviewed at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

For the company which was not selected for individual examination, we will instruct CBP to assess antidumping duties at an *ad valorem* assessment rate equal to the company-specific weighted-average dumping margin determined in the final results. For the companies for which the administrative review is rescinded, antidumping duties shall be assessed at a rate equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i).

### Cash Deposit Requirements

The following cash deposit requirements will be effective upon

<sup>20</sup> In these preliminary results, Commerce applied the assessment rate calculation method adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Proceedings; Final Modification*, 77 FR 8101 (February 14, 2012).

<sup>14</sup> See 19 CFR 351.309(c)(2) and (d)(2).

publication of the notice of the final results of the administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results, as provided by section 751(a)(2) of the Act: (1) the cash deposit rate for each company listed above will be equal to the dumping margins established in the final results of this review, except if the ultimate rate is *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rates will be zero; (2) for merchandise exported by producers or exporters not covered in this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the producer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original LTFV investigation but the producer is, then the cash deposit rate will be the rate established for the most recently completed segment of the proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 11.04 percent, the all-others rate established in the *Third Amended Final Determination*.<sup>21</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

#### Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, 19 CFR 351.213(h)(2), and 19 CFR 351.221(b)(4).
