

publication of the notice of the final results of the administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results, as provided by section 751(a)(2) of the Act: (1) the cash deposit rate for each company listed above will be equal to the dumping margins established in the final results of this review, except if the ultimate rate is *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rates will be zero; (2) for merchandise exported by producers or exporters not covered in this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the producer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original LTFV investigation but the producer is, then the cash deposit rate will be the rate established for the most recently completed segment of the proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 11.04 percent, the all-others rate established in the *Third Amended Final Determination*.²¹ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, 19 CFR 351.213(h)(2), and 19 CFR 351.221(b)(4).

Changes Since the Preliminary Results

Based on arguments raised and a review of the record and all supporting documentation, we made certain changes to the *Preliminary Results* with respect to the subsidy rate calculations

for the provision of primary aluminum for less than adequate remuneration (LTAR), the provision of electricity for LTAR, and Alcha Group’s 2022 equity infusion. For a discussion of the issues and changes, see Issues and Decision Memorandum.

Methodology

Commerce conducted this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found to be countervailable, we determine that there is a subsidy, *i.e.*, a financial contribution from a government or

public entity that gives rise to a benefit to the recipient, and that the subsidy is specific.¹⁰ For a full description of the methodology underlying Commerce’s conclusions, including our reliance, in part, on facts otherwise available with adverse inferences pursuant to sections 776(a) and (b) of the Act, see the Issues and Decision Memorandum.

Final Results of Administrative Review

In accordance with 19 CFR 351.221(b)(5), Commerce calculated the following net countervailable subsidy rates for the period January 1, 2022, through December 31, 2022:

Company	Subsidy rate (percent <i>ad valorem</i>)
Jiangsu Alcha Aluminium Group Co., Ltd., and Jiangsu Alcha Aluminum Group Co., Ltd. (both formerly known as Jiangsu Alcha Aluminum Co., Ltd., Jiangsu Alcha Aluminium Co., Ltd.); ¹¹ Alcha International Holdings Limited; Baotou Alcha Aluminium Co., Ltd., Baotou Alcha Aluminum Co., Ltd., Baotou Alcha North Aluminum Co., Ltd., and Baotou Changlv Northern Aluminium Industry Co., Ltd.; ¹² and Jiangsu Alcha New Energy Materials Co., Ltd. ¹³	21.41
Yinbang Clad Material Co., Ltd	22.76
Zhengzhou Mingtai Industry Co., Ltd. ¹⁴	373.06

Disclosure

Commerce intends to disclose the calculations and analysis performed to interested parties for these final results within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of the notice of final results in the **Federal Register**, in accordance with 19 CFR 351.224(b).

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(2), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries for the above-listed companies at the applicable *ad valorem* assessment rates. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file

a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Instructions

In accordance with section 751(a)(1) of the Act, Commerce also intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for each company above on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. With regard to Jiangsu Alcha, we intend to instruct CBP to collect cash deposits of estimated countervailing duties under its new names (*i.e.*, “Jiangsu Alcha Aluminium Group Co., Ltd.” and “Jiangsu Alcha Aluminum Group Co., Ltd.”). Concerning Baotou Alcha, we intend to instruct CBP to collect cash deposits of estimated countervailing duties under all of its names as identified in this notice. These cash deposit requirements, effective upon

publication of these final results, shall remain in effect until further notice.

Administrative Protective Order

This notice also serves as a final reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Notification to Interested Parties

These final results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(5).

¹⁰ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

¹¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 88 FR 21609, 21624 (April 11, 2023) (*Initiation Notice*). In the *Initiation Notice*, Commerce also initiated a review on Jiangsu Alcha Aluminium Group, Ltd. and Jiangsu Alcha Aluminum Group Co., Ltd. The respondent reported that Jiangsu Alcha Aluminium Group Co., Ltd. is the current legal name of the company, but is used interchangeably with Jiangsu

Alcha Aluminum Group Co., Ltd. The respondent also reported that due to the recent change, Jiangsu Alcha Aluminum Group Co., Ltd. and Jiangsu Alcha Aluminium Group Co., Ltd. refer to the same entity.

¹² It was reported that although the legal name for one of Jiangsu Alcha’s subsidiaries is “Baotou Alcha Aluminium Co., Ltd.,” other names (*i.e.*, “Baotou Alcha Aluminum Co., Ltd.,” “Baotou Alcha North Aluminum Co., Ltd.,” and “Baotou Changlv Northern Aluminium Industry Co., Ltd.”) also refer to the same entity due to different English translations of its Chinese-language name. Accordingly, we have treated “Baotou Alcha

Aluminium Co., Ltd.,” “Baotou Alcha Aluminum Co., Ltd.,” “Baotou Alcha North Aluminum Co., Ltd.,” and “Baotou Changlv Northern Aluminium Industry Co., Ltd.” as one entity (Baotou Alcha). For further discussion, see *supra*, n.11; see also *Preliminary Results PDM*.

¹³ See *Preliminary Results PDM* at Section II, “Background.”

¹⁴ We calculated this company’s rate based entirely on AFA, in accordance with section 776 of the Act. See *Preliminary Results PDM* at 19–25.

Dated: August 28, 2024.

Ryan Majerus,

Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

Foreign-Trade Zones Board

[B-48-2024]

Foreign-Trade Zone 262—Southaven, Mississippi; Application for Reorganization (Expansion of Service Area) under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the Northern Mississippi FTZ, Inc., grantee of Foreign-Trade Zone 262, requesting authority to reorganize the zone to expand its service area under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR

400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or “usage-driven” FTZ sites for operators/users located within a grantee’s “service area” in the context of the FTZ Board’s standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the FTZ Board (15 CFR part 400). It was formally docketed on August 29, 2024.

FTZ 262 was approved by the FTZ Board on October 1, 2004 (Board Order 1353, 69 FR 60841, October 13, 2004) and reorganized under the ASF on April 6, 2020 (Board Order 2095, 85 FR 19922, April 9, 2020). The zone currently has a service area that includes DeSoto County, Mississippi.

The applicant is now requesting authority to expand the service area of the zone to include Lafayette, Marshall, Panola and Tate Counties, Mississippi, as described in the application. If approved, the grantee would be able to serve sites throughout the expanded service area based on companies’ needs for FTZ designation. The application indicates that the proposed expanded service area is adjacent to the Memphis Customs and Border Protection Port of Entry.

In accordance with the FTZ Board’s regulations, Camille Evans of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board’s Executive Secretary and sent to: ftz@trade.gov. The closing period for their receipt is November 4, 2024. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to November 18, 2024.

A copy of the application will be available for public inspection in the “Online FTZ Information Section” section of the FTZ Board’s website, which is accessible via www.trade.gov/ftz. For further information, contact Camille Evans at Camille.Evans@trade.gov.

Dated: August 29, 2024.

Elizabeth Whiteman,
Executive Secretary.
