SUPPLEMENTARY INFORMATION: The Form 3513 had previously been used for physical and Economic Injury Disaster Loans (EIDL), including COVID loans. Going forward, this form will be used for determining fraud for non-COVID disaster loans, 7(a) and 504 loan programs.

As authorized by the Coronavirus Preparedness and Response Supplemental Appropriations Act, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), the Paycheck Protection Program and Health Care Enhancement Act, and the Economic Aid to Hard-Hit Small Businesses, Nonprofits, and Venues Act, the Small Business Administration (SBA) provided COVID-19 Economic Injury Disaster Loans to provide working capital for small businesses, private nonprofits, and small agricultural enterprises who suffered substantial economic injury as a result of the Coronavirus pandemic. SBA received more than 16 million loan applications during the pandemic and a small percentage of those applications may have been a result of identity theft. In an effort to ensure SBA is taking the appropriate action for any individuals who have indicated they have been the victim of identity theft, the individual will need to provide an affidavit to SBA indicating no involvement in the filing of the loan application, and that they did not receive or have knowledge of who received the loan funds. The information will be collected from those individuals (or their representative) who, without their knowledge or authorization, had an application submitted to SBA's Office of Capital

Access (OCA) utilizing their personal information. OCA will review the information contained in the affidavit to determine whether there was identity theft involved, and if so, OCA will take the necessary steps to stop all billing statements, release any collateral filings, and to ensure that loan information will not be publicly reported in the name of the identity theft victim. In addition, this affidavit will be provided to the Office of Inspector General and other enforcement agencies in any legal action going forward.

Solicitation of Public Comments
