To make a submission via *Regulations.gov*, enter Docket Number USTR-2024-0017 in the 'search for' field on the home page and click 'search.' The site will provide a search results page listing all documents associated with this docket. Find a reference to this notice by selecting 'notice' under 'document type' in the 'refine documents results' section on the left side of the screen and click on the link entitled 'comment.' *Regulations.gov* allows users to make submissions by filling in a 'type comment' field, or by attaching a document using the 'upload file' field. USTR prefers that you provide submissions in an attached document and, in such cases, that you write 'see attached' in the 'type comment' field. USTR prefers submissions in Microsoft Word (.doc) or Adobe Acrobat (.pdf). If you use an application other than those two, please indicate the name of the application in the 'type comment' field.

At the beginning of your submission or on the first page (if an attachment), include the following text: (1) TTC Trade Working Group and (2) your organization's name. Submissions should not exceed 10 single-spaced, standard letter-size pages in 12-point type, including attachments. Please do not attach separate cover letters, exhibits, annexes, or other attachments to electronic submissions; rather, include any in the same file as the submission itself, not as separate files. You will receive a tracking number upon completion of the submission procedure at *Regulations.gov*. The tracking number is confirmation that *Regulations.gov* received your submission. Keep the confirmation for your records.

USTR is not able to provide technical assistance for *Regulations.gov*. For further information on using *Regulations.gov*, please consult the resources provided on the website by clicking on 'How to Use Regulations.gov' on the bottom of the home page. The file name of the public version should begin with the character 'P.'
