

information on data sources used for this priority determination, please download the Data Sources for Rural Development Priorities document at the following website: <https://www.rd.usda.gov/media/file/download/rd-ic-prioritiesdatasupplementalupdatedfy2024.pdf>. Note: US Territories are considered distressed and qualify for priority points. Provide a copy of the map showing the project is eligible to claim points.

(ii) Advancing Racial Justice, Place-Based Equity, and Opportunity: Ensuring all rural residents have equitable access to RD programs and benefits from RD funded projects (5 points). Applicant receives priority points if the project is located in or serving a community with a score of 0.75 or above on the CDC Social Vulnerability Index. Please use Community Look-Up Map to look up a map or list to determine if your project qualifies for priority points. Provide a copy of the map showing the project is eligible to claim points.

Applications from and benefiting a Rural Partner's Network's (RPN) community network will receive priority points (*rural.gov*) in applicable funding notices. Currently RPN Networks exist in Alaska, Arizona, Georgia, Kentucky, Mississippi, Nevada, New Mexico, North Carolina, Puerto Rico, West Virginia and Wisconsin. Please use the Community Look-Up map to determine if your project qualifies for priority points.

Applications from Federally Recognized Tribes, including Tribal instrumentalities and entities that are wholly owned by Tribes will receive priority points. Federally Recognized Tribes are classified as any Indian or Alaska Native tribe, band, nation, pueblo, village or community as defined by the Federally Recognized Indian Tribe List Act (List Act) of 1994 (Public Law 103-454). Please refer to the Bureau of Indian Affairs for the listing of Federally Recognized Tribes that was published on January 1, 2023 in the **Federal Register** [88 FR 2112].

Additionally, projects where at least 50 percent of the project beneficiaries are members of Federally Recognized Tribes will receive priority points if applications from non-Tribal applicants include a Tribal Resolution of Consent from the Tribe or Tribes that the applicant is proposing to serve. updatedfy2024.pdf. Note: US Territories are considered socially vulnerable and qualify for priority points.

(iii) Addressing Climate Change and Environmental Justice: Reducing climate pollution and increasing resilience to the impacts of climate change through economic support to rural communities (5 points). Applicants can receive priority points through one of the three options listed below:

Option 1: Applicants will receive points if the project is located in or serves a Disadvantaged Community as defined by the Climate and Economic Justice Screening Tool (CEJST), from the White House Council on Environmental Quality (CEQ). CEJST is a tool to help Federal agencies identify disadvantaged communities that will benefit from programs included in the Justice40 initiative. Census tracts are considered disadvantaged if they meet the thresholds for at least one of the CEJST's eight (8) categories of burden: Climate, Energy, Health, Housing, Legacy Pollution, Transportation, Water and Wastewater, or Workforce Development.

Option 2: Applicants will receive points if the project is located in or serves an Energy Community as defined by the Inflation Reduction Act (IRA). The IRA defines energy communities as:

- A "brownfield site" (as defined in certain subparagraphs of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (CERCLA)).
- A "metropolitan statistical area" or "non-metropolitan statistical area" that has (or had at any time after 2009).
- 0.17% or greater direct employment or 25% or greater local tax revenues related to the extraction, processing, transport, or storage of coal, oil, or natural gas; and has an unemployment rate at or above the national average unemployment rate for the previous year.
- A census tract (or directly adjoining census tract) in which a coal mine has closed after 1999; or in which a coal-fired electric generating unit has been retired after 2009.

Option 3: Applicants will receive points by demonstrating through written narrative how proposed climate-impact projects improve the livelihoods of community residents and meet pollution mitigation or clean energy goals.

To determine if your project qualifies for priority points under Option 1 or Option 2, please use the Disadvantaged Community & Energy Community Look-Up Map. Provide a copy of the map showing the project is eligible to claim points.

The minimum score requirement for grants awarded under this funding opportunity is 50 points. Final scores are determined by the Agency. The Agency reserves the right to withhold the awarding of funds for applications that fail to meet the minimum required final score.

Meeting the minimum scoring requirements and/or receiving priority funding points or discretionary points from the Administrator does not guarantee a funding award.

The Agency will notify all responding entities whether their application has been accepted or rejected and provide appeal rights under 7 CFR part 11, as appropriate.

Joaquin Altoro,

Administrator, Rural Housing Service.

Certain Frozen Fish Fillets From the Socialist Republic of Vietnam: Preliminary Results of Antidumping Duty Administrative Review and Rescission of Administrative Review, in Part; 2022–2023

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) is conducting an administrative review of the antidumping duty order on certain frozen fish fillets (fish fillets) from the Socialist Republic of Vietnam (Vietnam). The period of review (POR) is August 1, 2022, through July 31, 2023. Commerce preliminarily determines that the exporters under review did not sell subject merchandise at prices below normal value (NV) during the POR, and that eight exporters are eligible for separate rates. We invite interested parties to comment on these preliminary results.

DATES: Applicable September 17, 2024.

FOR FURTHER INFORMATION CONTACT:

Javier Barrientos or Christopher Maciuba, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–2243 or (202) 482–0413, respectively.

SUPPLEMENTARY INFORMATION:

Background

On October 18, 2023, Commerce initiated an administrative review of the antidumping duty order on fish fillets

from Vietnam in accordance with 19 CFR 351.221(c)(1)(i) and section 751(a) of the Tariff Act of 1930, as amended (the Act).¹ This review covers eight exporters of the subject merchandise.² We selected two exporters, Bien Dong³ and Vinh Hoan,⁴ for individual examination as mandatory respondents.⁵ On April 29, 2024, Commerce extended the deadline for these preliminary results to August 30, 2024.⁶ On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.⁷ The deadline for the preliminary results is now September 6, 2024.

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁸ A list of the topics discussed in the Preliminary Decision Memorandum is included in Appendix I to this notice. Co.); (4) Thanh Binh Dong Thap One Member Company Limited (also known as Thanh Binh Dong Thap or Thanh Binh Dong Thap Ltd.); and (5) Vinh Phuoc Food Company Limited (also known as Vinh Phuoc or VP Food).
