

*Justification:* This non-competitive supplement will award \$265,188 to New York City Health & Hospitals Corporation to fund the New York City Poison Control Center (NYCPCC) to provide coverage of calls to the toll-free Poison Help line originating from Puerto Rico from September 1, 2024, through August 31, 2025. The Poison Control Program ensures that individuals can call a national toll-free Poison Help line (1-800-222-1222) to connect to a local poison control center in a poisoning emergency. As required by statute, calls to the Poison Help line must be directed to poison control centers that are accredited. In the most recent Notice of Funding Opportunity, HRSA-24-045, no application was received to respond to calls from Puerto Rico. To ensure uninterrupted poison control center coverage for Puerto Rico, HRSA identified NYCPCC as an accredited center that is capable of responding to Puerto Rico’s approximately 5,000 calls annually. NYCPCC historically has been able to provide temporary coverage for Puerto Rico’s calls on an ad hoc basis and has the qualifications, experience, and personnel to do so on a longer-term basis. Funds will be used for project activities within the scope of the current

award (as announced in HRSA-24-045); supplemental funds will support NYCPCC to provide coverage to calls to the Poison Help line originating from Puerto Rico for a period of 1 year. Future funds for coverage for Puerto Rico may be made available in a Notice of Funding Opportunity for a project period of September 1, 2025, to August 31, 2028, subject to the availability of funding for the activity.

**Health Resources and Services Administration**

**Notice of Supplemental Award; Alumni Peer Navigator Services Pilot**

**AGENCY:** Health Resources and Services Administration (HRSA), Department of Health and Human Services.

**ACTION:** Notice of supplemental award.

**SUMMARY:** HRSA will provide supplemental award funds in fiscal year

2024 to the current recipient of the Supporting Healthy Start (HS) Performance Project cooperative agreement (HRSA-24-038) to support the second year of the Alumni Peer Navigator (APN) Services Pilot.

**FOR FURTHER INFORMATION CONTACT:** Aaron M. Lopata, MD, MPP, Senior Medical Officer, Division of HS and Perinatal Services, Maternal and Child Health Bureau, HRSA, at *alopata@hrsa.gov* and (312) 315-4270.

**SUPPLEMENTARY INFORMATION:**

*Intended Recipient(s) of the Award:* The National Institute for Children’s Health Quality (NICHQ).

*Amount of Competitive or Non-Competitive Award(s):* \$601,851.

Supplemental funding for similar activities may be considered in future years, subject to the availability of funding for the activity and the satisfactory performance of the recipient.

*Project Period:* June 1, 2024, to May 31, 2029.

*Assistance Listing (CFDA) Number:* 93.926.

*Award Instrument:* Supplement.

*Authority:* 42 U.S.C. 254c-8 (title III, 330H of the Public Health Service Act).

TABLE 1—RECIPIENT AND AWARD AMOUNTS

Grant No.	Award recipient name	City, State	Award amount
UF5MC32750 .....	National Institute for Children’s Health Quality .....	Boston, MA .....	\$601,851

*Justification:* NICHQ, as the current HS Technical Assistance Support Center, and recipient of the Supporting HS Performance Project, provides national support to all HRSA HS project grantees. The supplemental funds will support new and continued APN activities. APN activities aim to reduce infant mortality rates, address disparities in maternal and infant health outcomes, and address social determinants of health. APNs are former HS participants who have navigated complex and often disparate health, education, and social services. These former HS participants, known as “peer navigators,” help current HS families by providing guidance and information about public benefits and help to address issues such as food insecurity, unstable housing, and lack of transportation.

NICHQ will use supplemental funds to support HS grantees to implement this peer-to-peer workforce model, the APN Services Pilot. The APN Services Pilot was previously known as the

Benefits Bundle Pilot. The APN Services Pilot is an interagency collaboration between the Department of Health and Human Services and the Office of Management and Budget/U.S. Digital Service.

The pilot consists of five HS projects in Florence, SC, Atlanta, GA, Baton Rouge, LA, Los Angeles, CA and Stoneville, Mississippi.

**National Vaccine Injury Compensation Program; List of Petitions Received**

**AGENCY:** Health Resources and Services Administration (HRSA), Department of Health and Human Services (HHS).

**ACTION:** Notice.

**SUMMARY:** HRSA is publishing this notice of petitions received under the National Vaccine Injury Compensation Program (the Program), as required by the Public Health Service (PHS) Act, as amended. While the Secretary of HHS is named as the respondent in all proceedings brought by the filing of petitions for compensation under the Program, the United States Court of Federal Claims is charged by statute with responsibility for considering and acting upon the petitions.
