As noted in the November 2023 notice (88 FR 80747; <https://www.federalregister.gov/documents/2023/11/20/2023-25573/request-for-public-nominations-for-authors-and-scientific-technical-inputs-for-the-first-national>), public engagement efforts by the author teams will be undertaken during the comment period announced in this notice.

Chapter authors will hold virtual public engagement workshops to solicit public feedback on a chapter's annotated outlines. The schedule for these workshops and registration opportunities will be posted on <https://www.globalchange.gov/our-work/national-nature-assessment> and announced in the USGCRP newsletter.

Responses: Response to this request for comment is voluntary. Respondents need not comment on all topics. Before including your address, phone number, email address, or other personal identifying information in your written comments, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Responses may be used by the U.S. Government for program planning on a non-attribution basis. The U.S. Department of the Interior requests that neither business proprietary information nor third-party copyrighted information be submitted in response to this request for comment. Please note that the U.S. Government will not pay for response

preparation or for the use of any information contained in the response.

Jacob Malcom,

Director, Office of Policy Analysis, Office of Policy, Management, and Budget.

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[LLHQ300000.L1990000.PO0000.24X; OMB Control No. 1004–0121]

Agency Information Collection Activities; Leasing of Solid Minerals Other Than Coal and Oil Shale (43 CFR 3500–3590)

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of information collection; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (PRA), the Bureau of Land Management (BLM) proposes to renew an information collection.

DATES: Interested persons are invited to submit comments on or before November 18, 2024.

ADDRESSES: Send your written comments on this information collection request (ICR) by mail to Darrin King, Information Collection Clearance Officer, U.S. Department of the Interior, Bureau of Land Management, Attention PRA Office, 440 W 200 S #500, Salt Lake City, UT 84101; or by email to BLM_HQ_PRA_Comments@blm.gov. Please reference Office of Management and Budget (OMB) Control Number 1004–0121 in the subject line of your comments. Please note that the electronic submission of comments is recommended.

FOR FURTHER INFORMATION CONTACT: To request additional information about this ICR, contact John Grasso by email at jgrasso@blm.gov, or by telephone at (303) 239–3777. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States. You may also view the ICR at <http://www.reginfo.gov/public/do/PRAMain>.

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork

Reduction Act of 1995 (PRA, 44 U.S.C. 3501 *et seq.*) and 5 CFR 1320.8(d)(1), all information collections require approval under the PRA. We may not conduct or sponsor, and you are not required to respond to a collection of information unless it displays a currently valid OMB control number.

As part of our continuing effort to reduce paperwork and respondent burdens, we invite the public and other Federal agencies to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

We are especially interested in public comment addressing the following:

- (1) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used;
- (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

- (4) How might the agency minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: The BLM seeks to renew the information collection pertaining to the leasing of solid minerals other than coal and oil shale other than coal and oil shale on Federal land, and the development of those lease. Respondents affected by this information collection request are those

who desire to obtain lease for Federal minerals other than coal and oil shale, and operators of such leases. The regulations at 43 CFR part 3590 apply to operations for discovery, testing, development, mining, reclamation, and processing. OMB control number 1004–0121 is currently scheduled to expire on August 31, 2025. The BLM plans to request that OMB renew this OMB control number of an additional three (3) years.

Title of Collection: Leasing of Solid Minerals Other Than Coal and Oil Shale (43 CFR 3500–3590).

OMB Control Number: 1004–0121.

Form Numbers: BLM Form 3504–001; BLM Form 3504–003; BLM Form 3504–004; BLM Form 3510–001; BLM Form 3510–002; and BLM Form 3520–007.

Type of Review: Extension of a currently approved collection.

Respondents/Affected Public: Holders of Federal leases of solid minerals other than coal and oil shale.

Total Estimated Number of Annual Respondents: 170.

Total Estimated Number of Annual Responses: 507.

Estimated Completion Time per Response: Varies from 1 hour to 400 hours, depending on activity.

Total Estimated Number of Annual Burden Hours: 27,296.

Respondent's Obligation: Required to obtain or retain a benefit.

Frequency of Collection: On occasion.

Total Estimated Annual Nonhour Burden Cost: \$2,051,105.

An agency may not conduct or sponsor and, notwithstanding any other provision of law, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

The authority for this action is the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

Darrin A. King,

Information Collection Clearance Officer.

BILLING CODE 4310–84–P

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701–TA–365–366 and 731–TA–734–735 (Fifth Review)]

Certain Pasta From Italy and Turkey

Determinations

On the basis of the record¹ developed in the subject five-year reviews, the

¹ The record is defined in § 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that revocation of the antidumping and countervailing duty orders on certain pasta from Italy and Turkey would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.

Background

The Commission instituted these reviews on March 1, 2024 (89 FR 15217) and determined on June 4, 2024 that it would conduct expedited reviews (89 FR 59160, July 22, 2024).

The Commission made these determinations pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)). It completed and filed its determinations in these reviews on September 13, 2024. The views of the Commission are contained in USITC Publication 5544 (September 2024), entitled *Certain Pasta from Italy and Turkey: Investigation Nos. 701–TA–365–366 and 731–TA–734–735 (Fifth Review)*.

By order of the Commission.

Issued: September 13, 2024.

Lisa Barton,

Secretary to the Commission.

BILLING CODE 7020–02–P

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337–TA–1365]

Certain Photovoltaic Connectors and Components Thereof; Notice of Request for Submissions on the Public Interest

AGENCY: International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that on August 30, 2024, the presiding administrative law judge (“ALJ”) issued an Initial Determination on Violation of section 337. On September 13, 2024, the presiding ALJ issued a Recommended Determination on remedy and bonding should a violation be found in the above-captioned investigation. The Commission is soliciting submissions on public interest issues raised by the recommended relief should the Commission find a violation. This notice is soliciting comments from the public and interested government agencies only.

FOR FURTHER INFORMATION CONTACT: Paul Lall, Office of the General Counsel, U.S.

International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205–2043. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930 provides that, if the Commission finds a violation, it shall exclude the articles concerned from the United States unless, after considering the effect of such exclusion upon the public health and welfare, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, and United States consumers, it finds that such articles should not be excluded from entry. (19 U.S.C. 1337(d)(1)).

The Commission is soliciting submissions on public interest issues raised by the recommended relief should the Commission find a violation, specifically: a limited exclusion order directed to certain photovoltaic connectors and components thereof imported, sold for importation, and/or sold after importation by respondents Voltage, LLC and Ningbo Voltage Smart Production Co. Parties are to file public interest submissions pursuant to 19 CFR 210.50(a)(4).

The Commission is interested in further development of the record on the public interest in this investigation. Accordingly, members of the public and interested government agencies are invited to file submissions of no more than five (5) pages, inclusive of attachments, concerning the public interest in light of the ALJ's Recommended Determination on Remedy and Bonding issued in this investigation on September 13, 2024. Comments should address whether issuance of the recommended remedial orders in this investigation, should the Commission find a violation, would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.
