

Section 342 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the Dodd-Frank Act) provided that certain agencies, including the Commission, establish an Office of Minority and Women Inclusion (OMWI).¹ Section 342(c)(2) of the Dodd-Frank Act requires the OMWI Director to include in the Commission's procedures for evaluating contract proposals and hiring service providers a written statement that the contractor shall ensure, to the maximum extent possible, the fair inclusion of women and minorities in the workforce of the contractor and, as applicable, subcontractors. To implement the acquisition-specific requirements of section 342(c)(2) of the Dodd-Frank Act, the Commission adopted a Contract Standard for Contractor Workforce Inclusion (Contract Standard).

The Contract Standard, which is included in the Commission's solicitations and resulting contracts for services with a dollar value of \$100,000 or more, contains a "collection of information" within the meaning of the Paperwork Reduction Act. The Contract Standard requires that a Commission contractor with 50 or more employees provide documentation, upon request from the OMWI Director, to demonstrate that it has made good faith efforts to ensure the fair inclusion of minorities and women in its workforce and, as applicable, to demonstrate its covered subcontractors have made such good faith efforts. The documentation requested may include, but is not limited to: (1) the total number of employees in the contractor's workforce, and the number of employees by race, ethnicity, gender, and job title or EEO-1 job category (*e.g.*, EEO-1 Report(s)); (2) a list of covered subcontract awards under the contract that includes the dollar amount of each subcontract, date of award, and the subcontractor's race, ethnicity, and/or gender ownership status; (3) the contractor's plan to ensure the fair inclusion of minorities and women in its workforce, including outreach efforts; and (4) for each covered subcontractor, the information requested in items 1 and 3 above. The OMWI Director will consider the information submitted in evaluating whether the contractor or subcontractor has complied with its obligations under the Contract Standard.

The information collection is mandatory.

Title of Collection: Contract Standard for Contractor Workforce Inclusion.

Type of Review: Extension of an Existing Approved Information Collection.

Frequency of Response: Annually.
Estimated Number of Respondents: 50.

Estimated Burden Hours per Respondent: 1 hour.

Estimated Total Annual Burden Hours: 50. The change in the estimated annual burden hours from 925 to 50 is due to a change in eligibility criteria for requesting documentation to only those contractors with 50 or more employees. This change in eligibility criteria eliminated any new recordkeeping burden since contractors with 50 or more employees are generally subject to the recordkeeping and reporting requirements under the regulations implementing Title VII of the Civil Rights Act² and Executive Order 11246.

On July 15, 2024, the Commission published a notice in the **Federal Register** (89 FR 57451) of its intention to request an extension of this currently approved collection of information and allowed the public 60 days to submit comments. The Commission received no comments.

Written comments continue to be invited on: (a) whether this collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270–521, OMB Control No. 3235–0579]

Proposed Collection; Comment Request; Extension: Regulation BTR

Upon Written Request Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Regulation Blackout Trade Restriction ("Regulation BTR") (17 CFR 245.100–245.104) clarifies the scope and application of Section 306(a) of the Sarbanes-Oxley Act of 2002 ("Act") (15 U.S.C. 7244(a)). Section 306(a)(6) [15 U.S.C. 7244(a)(6)] of the Act requires an issuer to provide timely notice to its directors and executive officers and to the Commission of the imposition of a blackout period that would trigger the statutory trading prohibition of Section 306(a)(1) [15 U.S.C. 7244(a)(1)]. Section 306(a) of the Act prohibits any director or executive officer of an issuer of any equity security, directly or indirectly, from purchasing, selling or otherwise acquiring or transferring any equity security of that issuer during any blackout period with respect to such equity security if the director or executive officer acquired the equity security in connection with his or her service or employment. Approximately 1,230 issuers file Regulation BTR notices approximately 5 times a year for a total of 6,150 responses. We estimate that it takes approximately 2 hours to prepare the blackout notice for a total annual burden of 2,460 hours. The

² 42 U.S.C. 2000e, *et seq.*

issuer prepares 75% of the 2,460 annual burden hours for a total reporting burden of (1,230 issuers × 2 hours per issuer × 0.75) 1,845 hours. In addition, we estimate that an issuer distributes a notice to five directors and executive officers at an estimated 5 minutes per notice (1,230 blackout period × 5 notices × 5 minutes) for a total reporting burden of 512 hours. The combined annual reporting burden is (1,845 hours + 512 hours) 2,357 hours.

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication by November 18, 2024.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Please direct your written comment to Austin Gerig, Director/Chief Data Officer, Securities and Exchange Commission, c/o Oluwaseun Ajayi, 100 F Street NE, Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-101020; File No. SR-CboeBZX-2024-083]

Self-Regulatory Organizations; Cboe BZX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the Fees Applicable to Securities Listed on the Exchange, Which Are Set Forth in BZX Rule 14.13, Company Listing Fees

September 13, 2024.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the

“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 11, 2024, Cboe BZX Exchange, Inc. (the “Exchange” or “BZX”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Cboe BZX Exchange, Inc. (“BZX” or the “Exchange”) is filing with the Securities and Exchange Commission (“Commission” or “SEC”) a proposed rule change to amend the fees applicable to securities listed on the Exchange, which are set forth in BZX Rule 14.13, Company Listing Fees. Changes to the fee schedule pursuant to this proposal are effective upon filing. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange's website (http://markets.cboe.com/us/equities/regulation/rule_filings/BZX/), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange submits this proposal to adopt new Rule 14.13(b)(2)(E)(iv) in order to create an annual pricing cap for Defined Distribution Strategy Series, as defined below, that are listed on the

Exchange.³ The Exchange is also proposing to make a corresponding non-substantive numbering change to make current Rule 14.13(b)(2)(E)(iv) become 14.13(b)(2)(E)(v) and to add language to proposed Rule 14.13(b)(2)(v) in order to make clear that exchange-traded products (“ETPs”)⁴ that are subject to the new pricing for Defined Distribution Strategy Series would not be subject to the fees applicable under Rule 14.13(b)(2)(v) in the same way that Legacy Listings,⁵ New Listings,⁶ an Outcome Strategy ETP⁷ subject to Rule 14.13(b)(2)(E)(iii), and Transfer Listings⁸ are not subject to such fees.

The Exchange is proposing to create a cap on annual fees where an issuer lists a series of ETPs that are each designed to provide (i) pre-defined set of cash distributions; (ii) over two specified periods with the first period beginning at inception until a pre-defined date and the second period beginning at that pre-defined date until another pre-defined date by which the ETP intends to distribute substantially all of its assets and liquidate the fund; (iii) where the first period defined distributions are based on the market conditions at the beginning of the first period, and the second period defined distributions are based on the market conditions at the beginning of the second period; and (iv) each employ the same strategy for achieving the pre-defined distributions (each a “Defined Distribution Strategy ETP” and collectively a “Defined Distribution Strategy Series”). The Exchange is proposing that such annual fees for Defined Distribution Strategy Series will be capped at \$16,000 per year.

As an example, a Defined Distribution Strategy ETP would include an ETP that

³ The Exchange initially filed the proposed fee change on August 30, 2024 (SR-CboeBZX-2024-081). On September 10, 2024, the Exchange withdrew that filing and submitted this proposal.

⁴ As defined in Rule 11.8(e)(1)(A), the term “ETP” means any security listed pursuant to Exchange Rule 14.11.

⁵ A “Legacy Listing” is an ETP that was listed on the Exchange prior to January 1, 2019. See Exchange Rule 14.13(b)(2)(E)(i).

⁶ A “New Listing” is an ETP that first lists on the Exchange or has been listed on for fewer than three calendar months on the ETP's first trading day of the year. See Exchange Rule 14.13(b)(2)(E)(ii).

⁷ An “Outcome Strategy Series” are multiple ETPs listed by the same issuer that are each designed to provide a pre-defined set of returns; over a specified outcome period; based on the performance of the same underlying instruments; and each employ the same outcome strategy for achieving the pre-defined set of returns (each an “Outcome Strategy ETP” and, collectively, an “Outcome Strategy Series”). See Exchange Rule 14.13(b)(2)(E)(iii).

⁸ A “Transfer Listing” is an ETP that transfers listing from another national securities exchange to the Exchange. See Exchange Rule 14.13(b)(1)(B)(v)(b).
