

application provider can use upon launch of their application on the device. The API or similar method will need to enable the application provider to use the device-level caption settings for its own content, if it chooses, and covered entities will be required to notify application developers about this API or similar method through any reasonable means. One example of a “reasonable means” for the required notice is a developer portal that a developer must utilize for its application to appear on the device.

(j) Customer notice of new operating systems.

The *2024 Caption Display Settings Order* provides that MVPDs should provide notice to customers who are deaf or hard of hearing when new operating systems are deployed.
