Proposed Exemption

The Department is considering granting the exemption pursuant to its authority under ERISA section 408(a), and in accordance with the Department's exemption procedures.¹ This proposed exemption, if granted, does not provide relief from the requirements of, or specific sections of, any other law. Accordingly, the Applicant is responsible for ensuring compliance with any other laws applicable to the transactions covered by this proposed exemption.

Benefits of the Exemption: As described in more detail below, the Department is proposing relief based, in part, on the Applicant's representations that the Sale will permit the Plan, and its participants and beneficiaries, to earn approximately \$4,317,500 to \$4,620,000 more in net value than it would otherwise in a sale to an unrelated third party. Other benefits to the Plan are described below.

¹ 29 CFR part 2570, subpart B (75 FR 66637, 66644, October 27, 2011). For purposes of this proposed exemption, references to specific provisions of title I of ERISA unless otherwise specified, should be read to refer as well to the corresponding provisions of Code section 4975.
