Notice of Intended Repatriation: San Francisco State University NAGPRA Program, San Francisco, CA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the San Francisco State University (SF State) NAGPRA Program intends to repatriate certain cultural items that meet the definition of objects of cultural patrimony and that have a cultural affiliation with the Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the cultural items in this notice may occur on or after November 4, 2024.

ADDRESSES: Elise Green, San Francisco State University NAGPRA Program, 1600 Holloway Avenue, San Francisco, CA 94132, telephone (415) 338-1381, email egreen@sfsu.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the SF State NAGPRA Program and additional information on the determinations in this notice, including the results of consultation, can be found in the summary or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

A total of four cultural items are requested for repatriation. The four objects of cultural patrimony include a round basket, one round gift basket (Korbel), one twine round basket (Korbel), and one plain twine basket. These baskets were donated to the Treganza Anthropology Museum (TAM)

at San Francisco State University in the 1960s and 1970s. When the TAM closed in 2012, all the Native American items were transferred to the SF State NAGPRA Program. The basket cap is from the Northwest California Basket Collection. Two baskets were donated by Elsa Korbel in 1968. There no records of the donors of the other two baskets at SF State.

It was once common practice by museums to use chemicals on cultural items to prevent deterioration by mold, insects, and moisture. To date, the SF State NAGPRA Program has no records documenting use of chemicals at our facilities, and we currently do not use chemicals on any cultural items. A former SF State professor, Dr. Michael Moratto, stated that staff used glues, polyvinyl acetate, and a solution called Glyptol to mend and stabilize cultural objects in the past. Prior non-invasive and non-destructive hazardous chemical tests conducted at the SF State NAGPRA Program repositories show arsenic, mercury, and/or lead in some storage containers, surfaces, and certain cultural items.

Determinations

The SF State NAGPRA Program has determined that:

- The four objects of cultural patrimony described in this notice have ongoing historical, traditional, or cultural importance central to the Native American group, including any constituent sub-group (such as a band, clan, lineage, ceremonial society, or other subdivision), according to the Native American traditional knowledge of an Indian Tribe or Native Hawaiian organization.
- There is a reasonable connection between the cultural items described in this notice and the Grindstone Indian Rancheria of Wintun-Wailaki Indians of California and the Paskenta Band of Nomlaki Indians of California.

Requests for Repatriation

Additional, written requests for repatriation of the cultural items in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural items in this notice to a requestor may occur on or after November 4, 2024. If competing requests for repatriation are received,

the SF State NAGPRA Program must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural items are considered a single request and not competing requests. The SF State NAGPRA Program is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and to any other consulting parties.
