SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Bureau of Justice Statistics, including whether the information will have practical utility;
- Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Abstract: Each licensed firearms manufacturer and licensed firearms importer must legibly identify each

firearm by engraving, casting, stamping (impressing), or otherwise conspicuously placing on the frame or receiver an individual serial number, any associated license number, and all other additional required information to a depth of at least .003 inch and in a print size no smaller than 1/16 inch. Used to facilitate the investigations of the criminal use of firearms. Information Collection (IC) OMB #1140-0050 is being revised to reflect an increase in costs resulting from an increase in the number of respondents and firearms covered by the information collection, and from adding both a burden hour monetized value and start-up costs based on a rulemaking that occurred since the last time this collection was renewed.

DOJ seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOJ notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.

Overview of This Information Collection

- 1. Type of Information Collection: Extension of a previously approved collection.
2. Title of the Form/Collection: Cargo Theft Incident Report.
3. Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection: Cargo Theft Incident Report.
4. Affected Public: Law Enforcement Agencies.

Abstract: This survey is needed to collect reports of cargo theft offenses reported by Federal, State, local, Tribal, university/college, and territorial LEAs. It should be noted cargo theft offenses are being collected under the National Incident-Based Reporting System (NIBRS) as of January 1, 2021. However, some agencies did not complete the transition to NIBRS by the given date. Therefore, the FBI's Uniform Crime Reporting (UCR) Program continues to collect cargo theft information under the Summary Reporting System (SRS). This practice will only occur for a short period of time after which the FBI's UCR Program will no longer accept new cargo theft data from those agencies not yet participating in NIBRS (i.e., SRS agencies). When the extension officially expires, the FBI's UCR Program will
